Walker, **Rising from the Ashes** Jessica Prince, 2014-02-25 People make mistakes when they re young but how they choose to come back from those mistakes is what matters in the end Savannah Morgan found true love at a very early age but one rash decision one that she would regret for the rest of her life was all it took to end her relationship with the love of her life For seven years Jeremy Matthews has accepted being just friends with the only woman he s ever loved

Finally deciding that enough is enough Jeremy relentlessly pursues Savannah until he forces her to see just how right they are for each other When Savannah s past mistake is revealed threatening the future she so desperately wants the fate of their relationship lies in Jeremy s hands Will he be able to forgive Savannah or is the relationship truly over When struggles and obstacles threaten the foundation of Savannah and Jeremy s relationship will they choose to let each other go or rise from the ashes of the past to claim their happiness *Justice for Crimes Against Humanity* Mark Lattimer,Philippe Sands,2003-12 This book assesses developments in international law and seeks to end impunity by bringing to justice those accused of crimes against humanity **Kill It to Save It** Corey Dolgon,2017-04-05 For decades now American voters have been convinced to support public policies that only benefit those in power But how do the powerful extract consent from citizens whose own self interest and collective well being are constantly denied And why do so many Americans seem to have given up on quality public education on safe food and safe streets on living wages even on democracy itself Kill It to Save It lays bare the hypocrisy of contemporary US political discourse documenting the historical and theoretical trajectory of capitalism s triumph over democracy Tackling the interconnected issues of globalization neoliberalism and declining public institutions Corey Dolgon argues that American citizens now accept reform policies that destroy the public sector seemingly in the public interest and a political culture that embraces what Stephen Colbert calls truthiness a willingness to agree to arguments that feel right in the gut regardless of fancy science or messy facts In a narrative that stretches from the post Vietnam War era to the present parade of political reality TV and debates over Black Lives Matter Dolgon dismantles US common sense cultural discourse His original alternative account reveals that this ongoing crisis in US policy will not cease until a critical mass of American citizens recognize what has been lost and in whose interest **Rising from the Ashes** Billy J.
