Ruby's Silver Lining Juanita Cox, 2013-06 Ruby Martin s life had dipped down into the valley of despair It seemed that everyone she fell in love with had come to a horrible untimely death One of those deaths had been so that she and her darling little Annie would have a chance to live Neil had given his life for them to live Today Ruby had received a phone call from the past When she recognized Karen s voice Ruby s heart had pounded so hard that it nearly jumped out of her chest Karen had brought an unbelievable story with proof to back it up Ruby s happiness was bubbling over her as she watched Annie get to know her daddy that she looked so much like For a few weeks it seemed that the pieces of Ruby s life had been placed back in some form of order with all her dark dreams of yesterday nestled in silver linings Ruby s family was gathered around her now with love and laughter filling every corner of her life that was until tonight The phone rang When it was answered in a matter of just a few words the voice on the other end turned the laughter into fear They were told to get away at once not to take time to get anything but themselves Grandpa s monsters had found them Ruby even her family was no

longer safe This meant they would have to battle with their lives on the line Ruby just prayed that her husband had not forgotten how to think like these terrible heartless men that was determined to follow the code of their Hagen family Ruby wondered how far they would have to run and hide to stay ahead of these devils Silently Ruby prayed that they would be able to keep their darling little Annie alive The frightened group crossed the state of Georgia going into the mountains of Tennessee before finding a place that might be a safe place for them Settling into a lovely log house Karen with her family was across the gravel road in a house almost identical to the one that Ruby had chosen How long they could hide here Ruby didn't know Nor did she know what kinds of battles they would face before this nightmare was over Ruby knew one thing that she felt to the very core of her soul Annie was in grave danger and Ruby was afraid that there would be no way to save her

Ruby's Story India Millar, 2017-07-25 War defined the three Beardsley sisters War between the nations and even more war between themselves Conflict shaped them Defined what they were what they were to become Ruby's tale is the story of the darker side of family life a story of conflict between sisters A story where nothing is taboo Nothing is forbidden Of all the numerous Beardsley brood Ruby was the first to arrive popping into the world on the first day of the 20th Century As soon as her Father showed Ruby her picture in the local newspaper Ruby knew that she was destined to be special Had been born special Not for her the daily grind of working in Dad's shop She was going to be somebody She had the looks and the brains to do it and by hell or high water she was going to achieve what she wanted No matter how she did it When she cheated death by inches at work in the dangers of the Barnbow munitions factory during the Great War she knew she had to move on When she married her adoring husband Roy and moved to London to start her own fashion empire Ruby thought she had finally arrived But she was wrong There was more so much more in store for her than she could ever know A passionate affair with her sister's husband A revenge relationship with her other sister's lover The ambition of a lifetime won and lost won by hard work and talent only to be lost when war came into her life yet again And yet it was also war that gave her the greatest opportunity in her life Ruby's story is her story but it is also the dramatic roller coaster tale of how she interacts with her two sisters Coral and Pearl through life and love and betrayal The story of how
