Frank Stockton, 2007-04-01 **The Rudder Grangers Abroad** Frank R. Stockton, 2015-07-12 Excerpt from *The Rudder Grangers Abroad And Other Stories* The sun shone warm and soft as it shines in winter time in the semi tropics The wind blew strong as it blows whenever and wherever it listeth Seven pelicans labored slowly through the air A flock of ducks rose from the surface of the river A school of mullet disturbed by a shark or some other unscrupulous pursuer sprang suddenly out of the water just before us and fell into it again like the splashing of a sudden shower I lay upon the roof of the cabin of a little yacht Euphemia stood below her feet upon the mess chest and her elbows resting on the edge of the cabin roof A sudden squall would have unshipped her still if one would be happy there are risks that must be assumed At the open entrance of the cabin busily writing on a hanging shelf that served as a table sat a Paying Teller On the high box which during most of the day covered our stove was a little lady writing in a note book On the forward deck at the foot of the mast sat a young man in a state of placidness His feet stuck out on the bowsprit while his mildly contemplative eyes went forth unto the roundabout About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The Watchmaker's Wife** Frank Richard Stockton, 1893 **The Rudder Grangers Abroad and Other Stories** Frank R. peasants who lounged silently around trying to see if I could detect in one a resemblance to the picture I had formed in my mind of Olaf of the Mountain or could discern in any eye a gleam of special interest to show that its possessor was on the watch for an expected guest To be continue in this ebook *Take It from Dad* George Griswold Livermore,2021-05-19 In *Take It from Dad* George Griswold Livermore eloquently intertwines poignant anecdotes with practical wisdom crafting a narrative that resonates deeply with readers Employing an accessible yet reflective literary style Livermore delves into the complexities of fatherhood drawing from personal experiences and universal truths The book illuminates the intricacies of familial love challenges and the lessons passed from father to child positioning itself within the broader context of self help literature while maintaining a unique narrative voice that engages both men and women alike George Griswold Livermore was deeply influenced by his own upbringing and the significant figures in his life particularly his father His extensive background in family counseling and personal development enriched his understanding of paternal relationships as he adeptly navigates the emotional landscapes of fatherhood making his insights resonate on multiple levels Livermore s blend of personal narrative and practical guidance fosters an authentic connection with readers encouraging introspection about their own experiences *Take It from Dad* is a must read for anyone seeking to explore the depths of paternal bonds and the profound influence of fathers Livermore s heartfelt guidance provides both wisdom and encouragement making it an essential addition to anyone s literary collection focused on family dynamics and personal growth *Chats on Old Miniatures* J.
