Goll, Jim W. Goll, 2009-03 As the Church cries to God on Israel s behalf the land of Israel will awaken and God will move powerfully among the Jewish people worldwide Politics and Religion in Modern Japan R. Starrs, 2011-08-09 Written by leading scholars in the field this book provides new insights based on original research into the full spectrum of modern Japanese political religious activity from the prewar uses of Shinto in shaping the modern imperial nation state to the postwar new religions that have challenged the power of the political establishment *Border Crossings* Fred Reinhard Dallmayr, 1999-01-01 Comparative political theory is at best an embryonic and marginalized endeavor As practiced in most Western universities the study of political theory generally involves a rehearsal of the canon of Western political thought from Plato to Marx Only rarely are practitioners of political thought willing and professionally encouraged to transgress the canon and thereby the cultural boundaries of North America and Europe in the direction of genuine comparative investigation *Border Crossings* presents an effort to remedy this situation fully launching a new era in political theory Thirteen scholars from around the world examine the various political traditions of West South and East Asia and engage in a reflective cross cultural discussion that belies the assumptions of an Asian essence and of an unbridgeable gulf between West and non West The denial of essential differences does not however amount to an endorsement of essential sameness As viewed and as practiced by

contributors to this ground breaking volume comparative political theorizing must steer a course between uniformity and radical separation this is the path of border crossings Rude Awakenings Turquoise Grace, There s no one in her life that Kate Grayson despises more than Colton James he s inconsiderate rude irresponsible and perverted and yet he has an effect on her she can t even begin to explain Determined not to fall for the resident bad boy Kate falls into a vicious cycle of being pulled into his attractive charm before forcing herself to stay away For his part Colton finds Kate intriguing and when he warns his friend away from her he realizes that perhaps her lack of desire for him only enhances his own desire for her
