Politics and Awe in Rudyard Kipling's Fiction

Peter Havholm, 2016-12-05 There has been a resurgence of interest in Kipling among critics who struggle to reconcile the multiple pleasures offered by his fiction with the controversial political ideas that inform it Peter Havholm takes up the challenge piecing together Kipling's understanding of empire and humanity from evidence in Anglo Indian and Indian newspapers of the 1870s and 1880s and offering a new explanation for Kipling's post 1891 turn to fantasy and stories written to be enjoyed by children By dovetailing detailed contextual knowledge of British India with informed and sensitive close readings of well known works like *The Man Who Would Be King* *Kim* *The Light That Failed* and *They* Havholm offers a fresh reading of Kipling's early and late stories that acknowledges Kipling's achievement as a writer and illuminates the seductive allure of the imperialist fantasy

Rudyard Kipling: Something of Myself and Other Autobiographical Writings Rudyard Kipling, 1991-06-28 Rudyard Kipling's autobiography *Something of Myself* was the author's last work but it has not received the serious attention it deserves Thomas Pinney's edition of the work supplemented by other autobiographical pieces aims to change that Professor Pinney a leading textual editor currently engaged on Kipling's letters has consulted the available source material relating to *Something of Myself* He has constructed an outline of the book's composition described the history of its publication established a text and a set of variants and given a critical account of the book's design and its main themes His annotations to the work and to the supplementary pieces identify references and allusions and provide a biographical context against which Kipling's selections omissions and distortions may clearly be seen The extent to which Kipling's description of his life failed to match what actually happened is extraordinary Two of the additional items presented here Kipling's Indian diary of 1885 and the illustrations he made for his autobiographical story *Baa Baa Black Sheep* are previously unpublished Pinney shows how they and other forms of autobiographical writing reflect upon or complicate the narrative of *Something of Myself* This carefully prepared edition sheds new light on Kipling as a man and writer

Kipling W. Dillingham, 2016-01-01 *Victorian Studies on the Web* Critics Choice Rudyard Kipling *Hell and Heroism* is an exploration of two fundamental yet greatly neglected aspects of the author's life and writings his deep seated pessimism and his complex creed of heroism The method of the book is both biographical and critical Biographically it traces the roots of Kipling's dark worldview and his search for something to believe in a way of thinking and acting in defiance of life's hellishness There matters were more basic to him than any of his social or political opinions but this the first full length study devoted to them Critically the book takes a fresh and close look at some of Kipling's most important works The result

challenges long established assumptions and amounts to a major reconsideration of novels like *Kim* and stories like *Mary Postgate* and *The Gardener Central* in these discussions of individual writings is Kipling's concern with the heroic life but of equal importance is the analysis and evaluation of them as works of art Avoiding the tangled and special language of some recent literary theory this will appeal to a wide audience of those interested in Kipling's mind and art **The Dragon's**

Apprentice, 2012-03-06 When John Jack and Charles return to the Archipelago of Dreams they encounter an apparent splintering of Time itself and set off on a new quest in which success and failure each carry a high cost **A Study Guide for Rudyard Kipling's "Kim"** Gale, Cengage Learning, 2016-06-29 A Study Guide for Rudyard Kipling's *Kim* excerpted from Gale's acclaimed *Novels for Students* This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust *Novels for Students* for all of your research needs **The Homestead**, 1916 Man and Mason-Rudyard Kipling Richard

Jaffa, 2011-06-02 Rudyard Kipling remains one of the most intriguing and elusive personalities in English literature He was a Nobel laureate prolific writer political figure and one of the outstanding men of his era There are many dimensions to his work but no one has previously examined in depth his interest in Freemasonry and its impact on his literary output This book looks at the life of both the young Kipling and the old one and shows how at two major stages of his life he turned to Freemasonry not only for dramatic impact but also as a source of spiritual comfort after the horrors of the First World War

Undeclared War between Journalism and Fiction D. Underwood, 2013-09-25 In this volume Doug Underwood asks whether much of what is now called literary journalism is in fact literary and whether it should rank with the great novels by such journalist literary figures as Twain Cather and Hemingway who believed that fiction was the better place for a realistic writer to express the important truths of life Mark Twain Harold Bloom, Sterling Professor of Humanities Harold

Owen, 2013-03-27 The fascinating story of Charles Darwin's friend fellow scientist and champion Sir John Lubbock was an important Darwinist witness to an extraordinary moment in the history of science and archaeology the emotive scientific religious and philosophical debate which was triggered by the publication of Darwin's *On the Origin of Species* in 1859 Darwin's *Apprentice* looks at Lubbock's critical yet often overlooked role in the Darwinian campaign including the ways in which Lubbock's archaeological and ethnographic collections shaped both his work and personal life It offers an enlightening view not only of the beginnings of Darwinism but of the scientific world of late nineteenth century Britain **Rudyard**

Kipling Martin Seymour-Smith, 1989 Rudyard Kipling 1865-1936 remains one of the most popular British authors of all time

In this controversial new biography he is subjected to the psychological scrutiny for which Martin Seymour Smith is celebrated and the personality that emerges is quite different from the traditional image of the Laureate of the Empire portrayed by past critics Born in Bombay Kipling spent much of his childhood with foster parents in Southsea and went to school in Westward Ho before returning to India as a journalist In 1889 he came back to England via the Far East and the USA and cemented the success he had enjoyed through his writing in India In 1892 he married and settled in Vermont for four years It was here that he wrote his most famous work *The Jungle Book* After further travels and a spell at Rottingdean Kipling moved to Bateman's in Sussex where he lived for the rest of his life In 1907 he became the first British author to be awarded the Nobel Prize for Literature Martin Seymour Smith explores beyond this exterior of conventional respectability and discovers territory uncharted by previous biographers all of whom have preserved the myth He examines Kipling's life and work with rigor and insight and unfolds the extraordinary and deeply moving story of this much loved and much criticized author who has come to occupy his own special place in the canon of English literature Kipling can never be the same again Jacket flap *The Windsor Magazine*, 1895 *If* Christopher Benfey, 2020-07-07 A New York Times Notable Book of 2019 A unique exploration of the life and work of Rudyard Kipling in Gilded Age America from a celebrated scholar of American literature At the turn of the twentieth century Rudyard Kipling towered over not just English literature but the entire literary world At the height of his fame in 1907 he was awarded the Nobel Prize for Literature becoming its youngest winner His influence on major figures including Freud and William James was pervasive and profound But in recent decades Kipling's reputation has suffered a strange eclipse Though his body of work still looms large and his monumental poem *If* is quoted and referenced by politicians athletes and ordinary readers alike his unabashed imperialist views have come under increased scrutiny In *If* scholar Christopher Benfey brings this fascinating and complex writer to life and for the first time gives full attention to Kipling's intense engagement with the United States a rarely discussed but critical piece of evidence in our understanding of this man and his enduring legacy Benfey traces the writer's deep involvement with America over one crucial decade from 1889 to 1899 when he lived for four years in Brattleboro Vermont and sought deliberately to turn himself into a specifically American writer It was his most prodigious and creative period as well as his happiest during which he wrote *The Jungle Book* and *Captains Courageous* Had a family dispute not forced his departure Kipling almost certainly would have stayed Leaving was the hardest thing he ever had to do Kipling said There are only two places in the world where I want to live he lamented Bombay and Brattleboro And I can't live in either In this fresh examination of Kipling Benfey hangs a provocative what if over Kipling's American years and maps the imprint Kipling left on his adopted country as well as the imprint the country left on him *If* proves there is relevance and magnificence to be found in Kipling's work *The Enemy Within* Elizabeth Clare Prophet, Mark L. Prophet, 2004 In *The Enemy Within* Mark L. Prophet and Elizabeth Clare Prophet bring a clear understanding and spiritual tools to help us deal with that enemy within They reveal what we can fully become

when we have overcome the not self **The Path of Christ or Antichrist** Mark L. Prophet, Elizabeth Clare Prophet, 2020-08-20 Who is Christ Who is Antichrist Both are present in the world as well as within ourselves How do we tell them apart especially when the strategies of Antichrist are subtle and calculated to deceive The Path of Christ or Antichrist provides clarity and insight into the most important choice that we make in life to be or not to be who we really are This is a choice we affirm with each decision large or small that we make in life The authors outline the difference between Christ and Antichrist and hence the choices that we all face on the path to spiritual enlightenment and self mastery They offer new interpretations of the age old battle between light and darkness and how it affects our daily lives along with spiritual techniques to guard our consciousness and direct spiritual light and energy for the blessing and healing of all life
