A man saves the life of a woman who has no memory of her identity and may be a dangerous criminal in this steamy, mesmerizing tale of romantic suspense. A volunteer with the Maui search and rescue team, Greg Braxton is training a greyhound under the extreme conditions of a lightning storm when he finds an unconscious woman in a car at the bottom of a cliff. When she awakens, she doesn't know who she is or what she was doing in a treacherous rainforest in the middle of a raging storm. Nothing about the woman makes sense. She has the face of an angel but was found dressed in tawdry clothing, wearing a dead woman's shoe. Is she an innocent victim or a cunning criminal hiding behind amnesia? Greg takes to calling her Lucky because she's lucky to be alive but no matter how much Greg comes to admire and desire the woman he saved, he can't give her back her past. With the law closing in, Lucky and Greg must discover her true identity before someone else, someone obsessed with her, finds her first.

Bucking Trends Terry Frost, 2012-05-09. Cannon Hill, Arkansas was a small community nestled in the Ozark Mountains. Two multi-billion-dollar corporations, their families, and their corporate headquarters called Cannon Hill home. One of those corporations became the number one retail giant in the world. Before he became a person beloved by his fellow Americans and considered by millions to be a hero, he was just Rudy Trend. Rudy was born in 1954 and raised by his widowed mother. Meager would be descriptive of how the Trends struggled in a community of billionaires. At the age of sixteen, he became best friends with a boy named Evan Wilson. Evan was the only son of the Director of Operations for the retail giant. The friendship that bonded two teenage boys existing in a world of the haves and have-nots set in motion the most improbable future for Rudy. **Bucking Trends** is an epic tale filled with fevered anticipation, emotion, humor, tragedy, political satire, and unwavering patriotism. Follow the events that cause a young boy to evolve into one of the most influential and powerful men of a modern-day America.
