might never have been known to history This American St Vincent de Paul wrote the first rule for the American sisters and pushed them out into missions across the country Dubois was domineering a tireless workman often rough and blunt not at all Mrs Seton s choice as a religious Superior In 1826 the labors of the benevolent dictator ended at Emmitsburg and he was called to head the immigrant church in New York John Dubois became bishop of a turbulent diocese dominated by fiercely nationalistic clergy and laity chiefly Irish Despite his good will and although dedicated to all that was chiefly American the French emigre remained a foreigner to his people in New York City Embattled for sixteen years with insolent clergy and powerful lay trustees the Bishop shunned public controversy and concentrated on pastoral care He made frequent visits to the missionary territory in upstate New York worked through cholera epidemics and went on a begging tour in Europe In the 1830s Protestants were beginning to react violently to Catholics and the immigrant Irish yet Dubois was respected by numerous non Catholics He was also a friend to important Catholics Roger Taney Charles Carroll Pierre Toussaint the black philanthropist and Mark Frenaye He had enough faith in one young immigrant to ordain him and give him his start in America St John Neumann As an old man incapacitated by a series of strokes he was sadly ignored by his energetic auxiliary Bishop John Hughes Before Bishop John Dubois died in 1842 he requested Bury me where the people will walk over me in death as they wished to do in life Ironically his gravesite was lost for well over 125 years Now the stirring and inspiring life of John Dubois is recaptured in his first full length biography The author finds Dubois a great and holy man truly worthy of the title Founding Father
