Interests, Inquiries and Identities Helen Hedges,2022-03-31 Children s curiosity about their lives and worlds motivates many interests Yet adults often have fixed ideas about what children s interests are and have been criticised for trivialising children s interests This book offers a critical and accessible engagement with research on children s interests that challenges us to move beyond surface level understandings Children s Interests Inquiries and Identities argues that the powerful relationship between interests and informal learning has been under recognised and undervalued The book proposes new principles for understanding children s learning It provides evidence that we need to look beyond the activities or topics children may currently be selecting to find out who and what has stimulated their interests how we might identify and interpret interests more analytically and deeply and how we might respond and engage with these in ways that take children s interests seriously Moving beyond play based activities Helen Hedges explains and illustrates a number of ways by which children s interests can be interpreted and understood to get to the heart of what really matters to and for children

The book draws on examples from research with children aged under 5 years and young adults aged 18-25. It also includes a chapter on teachers' interests. It presents new and original models for interests-based curriculum and sociocultural curriculum and pedagogy for future examination in research and practice. This book demonstrates that leaving behind long-standing taken-for-granted practices that have influenced understandings of curriculum, pedagogy, learning and outcomes allows a new perspective of children's interests to emerge. It will be of interest to researchers, postgraduate students and practitioners in the early years, parents and other professionals who work with young children. *Race John*

Rocus, 2024-11-17. The Universe has gifted Tooth Fairy Cadet Dr Rosie Parker D.D.S. with her very own Mo Shiorghra, her Fated Mate and One and Only Life with Declan Fitzpatrick aka Lord Mac Nuada. Is everything Rosie's ever dreamed love could be? But is it reasonable for a sensible professional modern woman to really go ahead and make a serious handfast commitment to someone she's known for less than a month? A man so completely different from herself in every way and far more comfortable in the Fae Otherworld than the Mundane one Rosie calls home. And what happens if Declan discovers the big secret Rosie's been keeping from him? Will it change everything? Truthfully, what really keeps Rosie up at night is the notion that those so-called random accidents befalling her during a visit to her future husband's ancestral home aren't so random after all. Can someone actually be trying to do away with Lord Mac's tooth fairy bride before the handfasting can take place? Join the ever-formidable and always humorous Dr Rosie Parker as she makes plans to tie the knot with her beloved Tax Man. **The Sleeping and the Dead** Ann Cleeves, 2025-03-25. The news report that a body has been found leaves prison officer Hannah Morton in shock. Michael had been her boyfriend and she had been with him the night he disappeared. And now the discovery is bringing back dreaded and long-buried memories from her past. *Bulletin of the Center for Children's Books*, 1997-02. **Rosie's Lovestorm**
