In the heart of the Alaskan wilderness where towering mountains meet pristine forests and icy rivers flow lies a frontier unlike any other My Alaskan Frontier is a memoir of a life lived on the edge of the world a testament to the resilience and determination of those who dare to call this wild land their home This book is a journey through the Alaskan wilderness a celebration of its beauty and a reflection on the challenges and rewards of living in such a harsh and unforgiving environment It is a story of a life lived off the land of building a homestead from scratch and of facing the challenges of isolation and loneliness It is a story of lessons learned and wisdom gained of the importance of self reliance and independence and of the deep connection to the land that Alaskans feel My Alaskan Frontier is also a story of change The author has witnessed the impact of climate change on the landscape and the way of life for its people He has seen the arrival of new industries and the growth of cities and towns But through it all the spirit of Alaska remains strong Alaskans are a hardy and resilient people who are fiercely proud of their land and their heritage They are a people who are willing to fight for what they believe in and who are always ready to lend a helping hand to their neighbors This book is a love letter to the land and the people of Alaska It is a celebration of the frontier spirit a spirit that is alive and well in the hearts of Alaskans today It is a story of a life lived to the fullest a life filled with challenges and rewards a life that the author would not trade for anything My Alaskan Frontier is a must read for anyone who loves the wilderness who is interested in the history and culture of Alaska or who simply wants to be inspired by the stories of those who have dared to live on the edge of the world If you like this book write a review on google books *Guide to Reprints 2002* Irene Izod,2001-10
