John Albert Bengel's Gnomon of the New Testament Johann Albrecht Bengel, 1860 *The Ministry of the Word, Vol. 23, No. 06* Various Authors, 2019-06-01 This issue of The Ministry of the Word contains the eight messages given during the international training for elders and responsible ones held in Anaheim California on April 5 through 7 2019 The general subject of this series of messages is The Development of the Kingdom of God in the Christian Life and the Church Life The kingdom of God is a wonderful person the Lord Jesus Christ who as the Sower sowed the seed of the kingdom into the soil of our heart This kingdom seed which is Christ Himself as both the King and the kingdom through the word needs to grow and develop in our inner being to become God s ruling realm The kingdom is the realm of life for the divine life to move rule and govern so that life may accomplish its purpose The kingdom that is developing is not only divine life but also Christ Himself as a wonderful person expanding within us Before there can be the manifestation of the kingdom with the Lord s coming there must be the reality of the kingdom inwardly and the practicality of the kingdom in the Christian life and the church life In our Christian life we live the kingdom life by living a hidden life Because the kingdom has been sown as a seed into us the development and manifestation of the kingdom must come from the hidden growth of the roots within the soil The kingdom life is a life in the depths a life that can take root downward and bear fruit upward Isa 37 31 The principle of the kingdom people is that they live a hidden life not performing their righteous deeds before men Messages 1 and 2 emphasize the Christian life particularly the inward reality of the kingdom that is developing and the matter of learning to have a life hidden in God so that the kingdom life may deepen in us The kingdom is the reality of the church and the church is the practical expression and representation of the kingdom Apart from the kingdom life we cannot live the church life The genuine church

is the kingdom of God in this age Today the believers live the kingdom life in the church Messages 3 through 6 focus on various aspects of the kingdom and the church Message 3 directly concerns the kingdom and the church Message 4 is on relationships in the kingdom In particular it is on the seriousness of living a forgiving life so that we will have no issues before the Son of Man that will cost us the kingdom reward In Message 5 we see the need for shutting up the gates of Hades through the exercise of the keys of denying the self taking up the cross and losing the soul life Message 6 focuses on the responsibility of the church to engage in spiritual warfare mainly through prayer because of the conflict between the kingdom of God and the kingdom of Satan The responsibility of the church is to bring the kingdom of God to the earth in glorious manifestation Message 7 is concerned with our being watchful in life and faithful in service For life we need oil the Spirit of God even His filling that we may be enabled to live the virgin life for the Lord's testimony For service for work we need the talent the spiritual gift that we may be equipped as a good slave to accomplish what the Lord intends to accomplish Message 8 concludes this series by releasing a burden on proclaiming the gospel of the kingdom throughout the entire inhabited earth and discipling the nations The gospel of the kingdom will be preached in the whole inhabited earth for a testimony to all the nations before the end of this age We have the authority commission and position of our resurrected Christ to disciple the nations for the spread and development of the kingdom of God The Announcements section at the end of this issue contains a list of upcoming conferences and trainings hosted by Living Stream Ministry and a website link for information related to similar events in Europe
