not to fall under the spell of Eustace Conway his accomplishments his joy and vigor seem almost miraculous New York Times Review of Books Gilbert takes a bright eyed bead on Eustace hitting him square with a witty modernist appraisal of folkloric American masculinity The Times Conversational enthusiastic funny and sharp the energy of The Last American Man never ebbs New Statesman \_\_\_\_\_ A fascinating intimate portrait of an endlessly complicated man a visionary a narcissist a brilliant but flawed modern hero At the age of seventeen Eustace Conway ditched the comforts of his suburban existence to escape to the wild Away from the crushing disapproval of his father he lived alone in a teepee in the mountains Everything he needed he built grew or killed He made his clothes from deer he killed and skinned before using their sinew as sewing thread But he didn't stop there In the years that followed he stopped at nothing in pursuit of bigger bolder challenges He travelled the Mississippi in a handmade wooden canoe he walked the two thousand mile Appalachian Trail he hiked across the German Alps in trainers he scaled cliffs in New Zealand One Christmas he finished dinner with his family and promptly upped and left to ride his horse across America From South Carolina to the Pacific with his little brother in tow they dodged cars on the highways ate road kill and slept on the hard ground Now more than twenty years on Eustace is still in the mountains residing in a thousand acre forest where he teaches survival skills and attempts to instil in people a deeper appreciation of nature But over time he has had to reconcile his ambitious dreams with the sobering realities of modernity Told with Elizabeth Gilbert's trademark wit and spirit The Last American Man is an unforgettable adventure story of an irrepressible life lived to the extreme The Last American Man is a New York Times Notable Book and National Book Critics Circle Award Finalist
