Essays in the History of Canadian Law J. Phillips,R. Roy McMurtry,John T. Saywell,2008-09-18 Written to honour the life and work of the late Peter N Oliver the distinguished historian and editor in chief of the Osgoode Society for Canadian Legal History from 1979 2006 this collection assembles the finest legal scholars to reflect on the issues in and development of the field of legal history in Canada Covering a broad range of topics this volume examines developments over the last two hundred years in the legal profession and the judiciary nineteenth century prison history as well as the impact of the 1815 Treaty of Paris The introduction also provides insight into the history of the Osgoode Society and of Oliver s essential role in it along with an illuminating analysis of the Society s publications program which produced sixty six books during his tenure A fitting tribute

to one of the foremost legal historians this tenth volume of *Essays in the History of Canadian Law* is a significant contribution to the discipline to which Oliver devoted so much (Per) Versions of Love and Hate Renata Salecl, 2000-06-17 Why when we are desperately in love do we endlessly block union with our love object Why do we often destroy what we love most Why do we search out the impossible object Is it that we desire things because they are unavailable and therefore to keep desire alive we need to prevent its fulfillment Renata Salecl explores the distributing and complex relationships between love and hate violence and admiration libidinal and destructive drives through an investigation of phenomenon as diverse as the novels *The Age of Innocence* and *The Remains of the Day* classic Hollywood melodramas the Sirens song Ceau escu s Rumania and the Russian performance artist Oleg Kulik who acts like a dog and bites his audience Per *Versions of Love and Hate* presents a unique and timely intervention in contemporary debates by questioning the legitimacy of the calls for tolerance and respect by multiculturalism and exploring practices such as body mutilation as symptoms of the radical change that has affected subjectivity in contemporary society **Aesthetic Sexuality** Romana Byrne, 2013-11-28 To understand why the concept of aesthetic sexuality is important we must consider the influence of the first volume of Foucault s seminal *The History of Sexuality* Arguing against Foucault s assertions that only scientia sexualis has operated in modern Western culture while ars erotica belongs to Eastern and ancient societies Byrne suggests that modern Western culture has indeed witnessed a form of ars erotica encompassed in what she calls aesthetic sexuality To argue for the existence of aesthetic sexuality Byrne examines mainly works of literature to show how within these texts sexual practice and pleasure are constructed as having aesthetic value a quality that marks these experiences as forms of art In aesthetic sexuality value and meaning are located within sexual practice and pleasure rather than in their underlying cause sexuality s raison d tre is tied to its aesthetic value at surface level rather than beneath it Aesthetic sexuality Byrne shows is a product of choice a deliberate strategy of self creation as well as a mode of social communication *Cyclopedia of Law and Procedure*, 1910 **Essays in the History of Canadian Law, Volume X** J. Phillips, R. Roy McMurtry, John T. Saywell, 2008-09-18 Covering a broad range of topics this volume examines developments over the last two hundred years in the legal profession and the judiciary nineteenth century prison history as well as the impact of the 1815 Treaty of Paris Art of Seduction Robert Greene, 2020-06-11 The Rules of Seduction Daniel Marques, 2011-07-25 Are you ready to master the art of seduction and create fulfilling relationships filled with passion and connection Look no further than *The Rules of Seduction* From Attraction to Great Sex and Fulfilling Relationships This groundbreaking book unveils the secrets of seduction that apply equally to both men and women providing a comprehensive guide to navigating the intricacies of modern relationships In *The Rules of Seduction* every technique and principle is explored and explained ensuring that you have all the tools you need to succeed in any romantic scenario Our author an expert in the field understands that the dynamics of attraction and seduction are not limited to one gender or another That s why this book is a must read for anyone looking to enhance their romantic life regardless of their gender or

Sex, Love, and Friendship Adrienne Leigh McEvoy, 2011-08 The joke is that all the prostitutes go on vacation when the philosophers come to town The reason that the other conventioners do it philosophers just talk about it And talk about sex and love and friendship is what the contributors to this volume do They talk and argue split hairs and clarify all trying to advance our understanding of this most interesting practice of the human species Some of the best minds on three continents from four nations and eighteen of the United States discuss such topics as adultery commitment cross dressing gender politics date rape family friendship friends as lovers gayness love marital pluralism marriage prostitution religiously motivated anti queer sentiments same sex marriage seduction and self respect Rather than preach participants probe our attitudes and practices involving these issues with the aim of better understanding the broad range of sexual practices of our species The result is a collection of stimulating essays that can enliven class discussions as well as provide guidance for the sexually perplexed The work is accessible to readers from high school through college and beyond

The Laws of Deuteronomy Calum M. Carmichael, 2008-09-11 Professor Carmichael here proposes a convincing solution to a perplexing problem in biblical studies the order and arrangement of the Deuteronomic laws He shows that Deuteronomy is not a haphazard collection of fragments but rather a carefully constructed coherent literary work with a definite purpose Through his analysis many of the peculiar features of the code are made intelligible for example the relationship between the laws and earlier stories sagas and historical narratives Opening up a new approach to the interpretation of the laws this book makes an important contribution to the understanding of biblical material
