The Rule of Law and Governance in Indigenous Yoruba

Society John Ayotunde Isola Bewaji, 2016-08-22 In *The Rule of Law and Governance in Indigenous Yoruba Society* John Ayotunde Isola Bewaji has two main goals. The first is to provide an exploration of aspects of indigenous Yoruba philosophy of law. The second is to relate this philosophy of law to the Yoruba indigenous traditions of governance with a view to appreciating the relevance of the Yoruba traditions of law and governance to contemporary African experiments with imported Western democracy in the 21st century. This book is devoted to what can be described as a juridical forensic investigation of Nigeria's predicament of developmental deficit leading to gross and unconscionable impoverishment of large segments of the population in the midst of so much natural resources and abundant human capital using Yoruba indigenous legal traditions as reflective template. Bewaji urges that Africa has to take seriously the necessity of obedience observance enforcement and operation of law as no respecter of persons groups affiliations and pedigrees as was in the case in the societies founded by our ancestors rather than the present scenario whereby the highest bidder procures semblances of justice from a crooked system of common law which was never designed to be fair equitable and just to the disadvantaged in society.

Bewitched Again Julie D. O'Reilly, 2013-07-20 Starting in 1996 U S television saw an influx of superhuman female characters who could materialize objects like Sabrina the Teenage Witch defeat evil like Buffy the Vampire Slayer and have premonitions like Charmed's Phoebe. The extraordinary abilities of these women showed resistance to traditional gender roles although these characters experienced infringements on their abilities in ways superpowered men did not. Supernaturally powerful women and girls have remained on television including the heavenly connected Grace of Saving Grace telepathic Sookie of True Blood and magical Cassie of The Secret Circle. These more recent characters also face numerous constraints on their powers. As a result superpowers become a narrative technique to diminish these characters a technique that began with television's first superpowered woman Samantha of Bewitched. They all illustrate a paradox of women's power are these characters ever truly powerful much less superpowerful if they cannot use their abilities fully. The superwoman has endured as a metaphor for women trying to have it all therefore the travails of these television examples parallel those of their off screen counterparts.

Three Worlds of Collective Human Experience: Individual Life, Social Change, and Human Evolution Victor N. Shaw, 2018-08-22 This book explores three worlds shared by the humans in their collective experiences. It identifies and explores the world of commonsense the world of religion and the world of science as three essential dimensions of human experience. The book helps understand that humans can gain comfort and pleasure in commonsense achieve meaning and purpose from religion and attain truth and rationality through science. It actively applies theories to and develops theoretical explanations from different domains or situations of human existence. This book is of interest to theorists researchers instructors and students across major academic disciplines in the humanities and social sciences.

Living From Heaven's Reality Isaac Newton Corns, 2025-03-11 This book is a revelation of my true identity in Christ a call to walk in the fullness of who I already am. I am not striving to become more like Jesus I am as He is now I do not

wait for power I already have it I do not ask for authority I walk in it Heaven is not a distant hope it is my present reality and I am here to manifest it on earth Through this book I step into my divine calling to rule reign and release the presence of God everywhere I go Every chapter unveils the truth of my oneness with Christ my dominion over circumstances and my mandate to demonstrate the supernatural I do not live under the world s limitations I govern from Heaven s authority The world is not waiting on God to move it is waiting for me to manifest Him I am the living expression of Christ on earth
