Crime and Punishment in Russia Jonathan Daly,2018-02-22 Crime and Punishment in Russia surveys the evolution of criminal justice in Russia during a span of more than 300 years from the early modern era to the present day Maps organizational charts a list of important dates and a glossary help the reader to navigate key institutional legal political and cultural developments in this evolution The book approaches Russia both on its own terms and in light of changes in Europe and the wider West to which Russia's rulers and educated elites continuously looked for legal models and inspiration It examines the weak advancement of the rule of the law over the period and analyzes the contrasts and seeming contradictions of a society in which capital punishment was sharply restricted in the mid 1700s while penal and administrative exile remained heavily applied until 1917 and even beyond Daly also provides concise political social and economic contextual detail showing how the story of crime and punishment fits into the broader narrative of modern Russian history This is an important and useful book for all students of modern Russian history as well as of the history of crime and punishment in modern Europe

The Politics of Unfree Labour in Russia Mary Buckley,2018-01-11 Discusses human trafficking out of the Russian Federation since the collapse of the Soviet state and labour migration into and within Russia

State Building in Putin's Russia Brian D. Taylor,2011-02-21 This book argues that Putin's strategy for rebuilding the state was fundamentally flawed Taylor demonstrates that a disregard for the way state officials behave toward citizens state quality had a negative impact on what the state could do state capacity Focusing on those organizations that control state coercion what Russians call the power ministries Taylor shows that many of the weaknesses of the Russian state that existed under Boris Yeltsin persisted under Putin Drawing on extensive field research and interviews as well as a wide range of comparative data the book reveals the practices and norms that guide the behavior of Russian power ministry officials the so called siloviki especially law enforcement personnel By examining siloviki behavior from the Kremlin down to the street level State Building in Putin's Russia uncovers the who where and how of

Russian state building after communism **The Constitution of the Russian Federation** Jane Henderson, 2022-08-25 The scholarship is consistently thorough and lucid and absolutely reliable European Public Law As reviews of the first edition attest this book gives a unique critical and contextual insight into the Constitution of one the world's most powerful countries Its first edition was published in 2011 when Dmitrii Medvedev was Russia's President Since then there was a regime change in 2012 as Vladimir Putin returned to the presidency and significantly dramatic shifts in constitutionality as Russia pursues a return to traditional values The book explores the Constitution's evolution over its nearly 30 years existence including the significant amendments of 2020 This second edition situates these important changes in the context of Russia's historical and legal development as Putin continues to dominate the political scene It also looks at broader constitutional questions on the interrelation between the main State agencies the role of the courts human rights and their enforcement *Policing Cities* Randy K Lippert, Kevin Walby, 2013-07-18 Policing Cities brings together international scholars from numerous disciplines to examine urban policing securitization and regulation in nine countries and the conceptual issues these practices raise Chapters cover many of the world's major cities including New York Beijing Paris London Berlin Mexico City Johannesburg Rio de Janeiro Boston Melbourne and Toronto as well as other urban areas in Britain United States South Africa Germany Australia and Georgia The collection examines the activities and reforms of the traditional public police but also those of emerging public and private policing agents and spaces that fall outside the public police's purview and which previously have received little attention It explores dramatic changes in public policing arrangements and strategies exclusion of urban homeless people new forms of urban surveillance and legal regulation and securitization and militarization of urban spaces The core argument in the volume is that cities are more than mere background for policing securitization and regulation Policing and the city are intimately intertwined This collection also reveals commonalities in the empirical interests methodological preferences and theoretical concerns of scholars working in these various disciplines and breaks down barriers among them This is the first collection on urban policing regulation and securitization with such a multi disciplinary and international character This collection will have a wide readership among upper level undergraduate and graduate level students in several disciplines and countries and can be used in geography urban studies legal and socio legal studies sociology anthropology political science and criminology courses Gender Violence in Russia Janet Elise Johnson, 2009-02-18 Just a few years ago most Russian citizens did not recognize the notion of domestic violence or acknowledge that such a problem existed Today after years of local and international pressure to combat violence against women things have changed dramatically Gender Violence in Russia examines why and how this shift occurred and why there has been no similar reform on other gender violence issues such as rape sexual assault or human trafficking Drawing on more than a decade of research Janet Elise Johnson analyzes media coverage and survey data to explain why some interventions succeed while others fail She describes the local global dynamics between a range of international actors from

feminist activists to national governments and an equally diverse set of Russian organizations and institutions

Democracy in Crisis around the World Saliba Sarsar, Rekha Datta, 2020-11-05 In the twenty first century democracies across the globe are in crisis The strength of basic democratic institutions and core enduring political principles and values are eroding in key regions and countries Authoritarian regimes are rising and populist leaders are emerging Democracy in Crisis across the World weaves threads of history and politics in two parts to analyze how long this trend may last and what the future may bring By first examining the state of democracy in Sub Saharan Africa Eastern Europe Western Europe Latin America and the Middle East and North Africa the second part of the collection highlights to democratic trajectory of India China Russia and the United States Ending with a look at how the world s governments have responded to the coronavirus pandemic contributors argue that unless democracy is defended with resolution and nurtured with resilience it will fall

Crime and Public Policy James Q. Wilson, Joan Petersilia, 2012-06-01 Crime in the United States has fluctuated considerably over the past thirty years as have the policy approaches to deal with it During this time criminologists and other scholars have helped to shed light on the role of incarceration prevention drugs guns policing and numerous other aspects to crime control Yet the latest research is rarely heard in public discussions and is often missing from the desks of policymakers This book accessibly summarizes the latest scientific information on the causes of crime and evidence about what does and does not work to control it Thoroughly revised and updated this new version of Crime and Public Policy will include twenty chapters and five new substantial entries As with previous editions each essay reviews the existing literature discusses the methodological rigor of the studies identifies what policies and programs the studies suggest and then points to policies now implemented that fail to reflect the evidence The chapters cover the principle institutions of the criminal justice system juvenile justice police prisons probation

and parole sentencing how broader aspects of social life inhibit or encourage crime biology schools families communities and topics currently generating a great deal of attention criminal activities of gangs sex offenders prisoner reentry changing crime rates With contributions from trusted leading scholars Crime and Public Policy offers the most comprehensive and balanced guide to how the latest and best social science research informs the understanding of crime and its control for policymakers community leaders and students of crime and criminal justice *Governance Beyond the Law* Abel

Polese,Alessandra Russo,Francesco Strazzari,2019-03-29 This volume explores the continuous line from informal and unrecorded practices all the way up to illegal and criminal practices performed and reproduced by both individuals and organisations The authors classify them as alternative subversive forms of governance performed by marginal and often invisible peripheral actors The volume studies how the informal and the extra legal unfold transnationally and in particular how and why they have been are being progressively criminalized and integrated into the construction of global and local dangerhoods how the above mentioned phenomena are embedded into a post liberal security order and whether they shape new states of exception and generate moral panic whose ultimate function is regulatory disciplinary and one of crafting practices of political ordering **Confronting Global Gender Justice** Debra Bergoffen,Paula Ruth Gilbert,Tamara

Harvey,Connie L. McNeely,2010-11-17 Confronting Global Gender Justice contains a unique interdisciplinary collection of essays that address some of the most complex and demanding challenges facing theorists activists analysts and educators engaged in the tasks of defining and researching women s rights as human rights and fighting to make these rights realities in women s lives With thematic sections on Complicating Discourses of Victimhood Interrogating Practices of Representation Mobilizing Strategies of Engagement and Crossing Legal Landscapes this volume offers both specific case studies and more general theoretical interventions Contributors examine and assess current understandings of gender justice and offer new paradigms and strategies for dealing with the complexities of gender and human rights as they arise across local and international contexts In addition it offers a particularly timely assessment of the effectiveness and limits of international rights instruments governmental and nongovernmental organization activities grassroots and customary practices and narrative and photographic representations This book is a valuable resource for both undergraduate and graduate students in fields such as Gender or Women s Studies Human Rights Cultural Studies Anthropology and Sociology as well as researchers and professionals working in related areas Modern Slavery Dominika Borg Jansson,2014-10-28 In Modern

Slavery A Comparative Study of the Definition of Trafficking in Persons Dominika Borg Jansson illustrates how national laws that have implemented the international definition of trafficking do not work as intended *Corruption, Global Security, and World Order* Robert I. Rotberg,2009-12-01 Never before have world order and global security been threatened by so many destabilizing factors from the collapse of macroeconomic stability to nuclear proliferation terrorism and tyranny Corruption Global Security and World Order reveals corruption to be at the very center of these threats and proposes remedies such as

positive leadership enhanced transparency tougher punishments and enforceable sanctions Although eliminating corruption is difficult this book's careful prescriptions can reduce and contain threats to global security Contributors Matthew Bunn Harvard University Erica Chenoweth Wesleyan University Sarah Dix Government of Papua New Guinea Peter Eigen Freie Universität Berlin and Africa Progress Panel Kelly M Greenhill Tufts University Charles Griffin World Bank and Brookings Ben W Heineman Jr Harvard University Nathaniel Heller Global Integrity Jomo Kwame Sundaram United Nations Lucy Koechlin University of Basel Switzerland Johann Graf Lambsdorff University of Passau Germany and Transparency International Robert Legvold Columbia University Emmanuel Pok National Research Institute Papua New Guinea Susan Rose Ackerman Yale University Magdalena Sepúlveda Carmona United Nations Daniel Jordan Smith Brown University Rotimi T Suberu Bennington College Jessica C Teets Middlebury College and Laura Underkuffler Cornell University

Kazakhstan and the Soviet Legacy Jean-François Caron, 2019-03-26 This book examines Kazakhstan's struggle to distance itself from its Soviet past over 25 years after its independence To a very large extent the affirmation of its sovereignty and a unique Kazakhstani way remain largely a matter of rhetoric This book looks to explain the various aspects that show the continuity of Kazakhstan's political system and governance with its colonial legacy namely through its foreign policy the country's environmental policies the judicial system the management of religious diversity the way youth organizations are structured and administered or how those who were born after the collapse of Soviet Union are still showing a typical Soviet behavioral attitude towards the political sphere What are the reasons for this reluctance or incapacity to break away from these ties of the past Will the unavoidable political transition that will bring new individuals to the head of the state contribute to a real change Will this lead to a break with the country's past and a radical shift in the country's policies or will things remain as they have been since 1991 This book provides some valuable insights on what may happen in the near future to the biggest country of Central Asia
