Rumania Political Problems Of An Agrarian State:

Rumania: Political Problems of an Agrarian State Henry L. Roberts, 1969 **The Civic Foundations of Fascism in Europe** Dylan Riley, 2019-01-29 A historical look at the emergence of fascism in Europe Drawing on a Gramscian theoretical perspective and development a systematic comparative approach The Civic Foundations of Fascism in Europe Italy Spain and Romania 1870 1945 challenges the received Tocquevillian consensus on authoritarianism by arguing that fascist regimes just like mass democracies depended on well organized rather than weak and atomized civil societies In making this argument the book focuses on three crucial cases of inter war authoritarianism Italy Spain and Romania selected because they are all counter intuitive from the perspective of established explanations while usefully demonstrating the range of fascist outcomes in interwar Europe Civic Foundations argues that in all three cases fascism emerged because the rapid development of voluntary associations combined with weakly developed political parties among the dominant class thus creating a crisis of hegemony Riley then traces the specific form that this crisis took depending on the form of civil society development autonomous as in Italy elite dominated as in Spain or state dominated as in Romania in the nineteenth century

The Agricultural Situation in Rumania Kenneth Leo Murray, 1961 Economic Dualism and Agrarian Policies Adina Dabu, Paul D. Aligica, 2020-05-21 This book offers an in depth case study of Romania s land and agricultural reforms from mid 19th century and up to 2000 offering a historical account of agricultural reforms in post communist Romania in the light of more than a century of social and economic development experiments Taking a dual economy analytic perspective the book examines the impact of structural and agricultural reforms on the country s economic development and provides an analysis of the ideas and models that stood behind policy reforms aiming at the modernization of an economy and society defined by dualism and late development **The Great Rumanian Peasant Revolt of 1907** Philip Gabriel Eidelberg, 2023-10-09

Politics and Peasants in Interwar Romania Sorin Radu, Oliver Jens Schmitt, 2017-11-06 The volume discusses the integration of peasants into the nation building project of Greater Romania with a focus on social and cultural practices Thus it addresses one of the key questions of the new political system in post imperial East Central and Southeast Europe It advocates a shift from a multiple top down perspective capital province urban political elites rural voters to an analysis concentrating on regionally diverse rural societies with a special interest in the predominantly ethnic Romanian population

Romania After Tyranny Daniel N Nelson, 2019-06-19 In 1973 Romanians were beginning to recognize that the regime of Nicolae Ceausescu contrary to what his first five or six years in power seemed to imply would bring no respite from communism Instead after a 1971 mini cultural revolution ended hope for a Bucharest spring and intellectual latitude was curtailed further in 1972 73 the ominous possibilities of Ceausescu were becoming evident In 1973 I went to Romania on a dissertation research grant from the International Research and Exchanges Board It was a year in which wide ranging survey research was still possible But it was also a time when historians and writers who had different ideas or workers who gave

thought to non party union organization felt the heavy hand of Ceausescu s Securitate As happens to most graduate students and their field research it was a formative experience with indelible impressions that remain today

Fascists and Conservatives Martin Blinkhorn,2003-09-02 What has between the radical and the conservative right in twentieth century Europe In Fascists and Conservatives thirteen distinguished authorities on the European right explore this major theme within Italy Germany Spain Portugal France Britain Austria Romania Greece adn the Nordic countries

Agrarian Policies in Communist Europe K.-E. Wädekin,2024-09-02 **Development of Class Structure in Eastern Europe** Aleksander Gella,1989-01-01 Emphasizing the development of class structure this book is the first in English to describe the historical and social development of Poland Czechoslovakia Hungary and Romania from medieval feudalism to modern capitalism Historically these countries have maintained mostly peaceful relations among themselves in the past and now share the common characteristic of being Soviet satellites The author has devoted particular attention to Poland because of its unique political system as well as its greater size population and cultural influence The book is divided into three sections part one reviews the early history and social structure of each country part two provides a sociological analysis of social classes and their evolution over centuries and part three examines the effect that World War II has had on these social classes

The Vanishing Hectare Katherine Verdery,2018-05-31 In most countries in Eastern Europe and the former Soviet Union the fall of communism opened up the possibility for individuals to acquire land Based on Katherine Verdery s extensive fieldwork between 1990 and 2001 *The Vanishing Hectare* explores the importance of land and land ownership to the people of one Transylvanian community Aurel Vlaicu Verdery traces how collectivized land was transformed into private property how land was valued what the new owners were able to do with it and what it signified to each of the different groups vying for land rights Verdery tells this story about transforming socialist property forms in a global context showing the fruitfulness of conceptualizing property as a political symbol as a complex of social relations among people and things and as a process of assigning value This book is a window on rural life after socialism but it also provides a framework for assessing the neo liberal economic policies that have prevailed elsewhere such as in Latin America Verdery shows how the trajectory of property after socialism was deeply conditioned by the forms property took in socialism itself this is in contrast to the image of a tabula rasa that governed much thinking about post socialist property reform

Romania's Holy War Grant T. Harward,2021-11-15 Romania s Holy War rights the widespread myth that Romania was a reluctant member of the Axis during World War II In correcting this fallacy Grant T Harward shows that of an estimated 300 000 Jews who perished in Romania and Romanian occupied Ukraine more than 64 000 were in fact killed by Romanian soldiers Moreover the Romanian Army conducted a brutal campaign in German occupied Ukraine resulting in the deaths of thousands of Soviet prisoners of war partisans and civilians Investigating why Romanian soldiers fought and committed such atrocities Harward argues that strong ideology a cocktail of nationalism religion antisemitism and anticommunism undergirded their motivation Romania s

Holy War draws on official military records wartime periodicals soldiers diaries and memoirs subsequent war crimes investigations and recent interviews with veterans to tell the full story Harward integrates the Holocaust into the narrative of military operations to show that most soldiers fully supported the wartime dictator General Ion Antonescu and his regime s holy war against Judeo Bolshevism The army perpetrated mass reprisals targeting Jews in liberated Romanian territory supported the deportation and concentration of Jews in camps or ghettos in Romanian occupied Soviet territory and played a key supporting role in SS efforts to exterminate Jews in German occupied Soviet territory Harward proves that Romania became Nazi Germany s most important ally in the war against the USSR because its soldiers were highly motivated thus overturning much of what we thought we knew about this theater of war Romania s Holy War provides the first complete history of why Romanian soldiers fought on the Eastern Front

The Remote Borderland Laszlo Kurti,2001-07-19 Explores how Transylvania figures in the Hungarian imagination and how this border region functions in the creation of national identity

Romania at the Paris Peace Conference Sherman Spector,2023-04-18 Romania at the Paris Peace Conference studies the diplomacy of Ioan I C Bratianu during World War I and in its aftermath that led to the formation of Greater Romania The book describes the successful struggle waged by the Romanian government for recognition of the provisions of the secret treaty of 1916 and in addition for approval of the de facto annexation of Bessarabia carried out in 1918 with the encouragement of the Central Powers A substantial share of the credit for this achievement Spector asserts must be given to Ioan I C Bratianu a skillful negotiator who answered all attempts to delineate more equitable frontiers with a rigid restatement of Romania s full claims

The European Union & Democratization Paul Kubicek,2004-03-01 The European Union has been a key actor in promoting democratization and providing assistance to encourage political change This book assesses the EU s contribution to democratization by looking at the failures and states that offered resistance to EU pressure to reform aiming to understand how the EU overcame or failed to overcome the numerous barriers blocking democratic progress The book features studies on Slovakia Romania Croatia Turkey Ukraine Morocco and Latvia

The Socialist Republic of Rumania Stephen Fischer-Galati,2019-12-01 Originally published in 1969 Rumania faced the problem shared by other independently minded communist states in the era of the Soviet bloc of pursuing independent policies in foreign and intra bloc relations and in its domestic affairs without provoking the Soviet Union to a military reaction The efforts of the Rumanian leadership in this direction were aided by the fact that there was no politically relevant pro Moscow elite that could take over if Ceausescu and his followers were deposed by force Writing his study during the communist period Professor Fischer Galati concludes that the future of Rumanian integration into the communist party state system hinges on the resolution of differences with the Soviet Union and that no meaningful reconciliation appears likely while the present Rumanian and Russian elites remain in power The author believes however that the Rumanians will continue to pursue their independent course one that could stimulate greater popular support and participation in the

country's affairs although it may not lead to a realization of Ceausescu's social nationalist goals Eugenics and Modernization in Interwar Romania Maria Bucur, 2002-02-20 Eugenics movements gained momentum throughout Eastern Europe between World Wars I and II Maria Bucur demonstrates that the importance of the eugenics movement in Romania rests not so much in the contributions made to the study of science as in the realm of nationalist ideology and social policy making The notion that the quality and quantity of the human species could and should be controlled manifested itself through social engineering projects ranging from reshaping gender roles and isolating ethnic undesirables to introducing broad public health measures and educational reform Romanian eugenicists sought to control such modernization processes as urbanization and industrialization without curbing them yet they also embraced attitudes more typically identified with anti modernists in Romanian politics and culture Bucur is the first historian to explore the role of eugenics as a response to the challenges of nation and state building in Eastern Europe She presents a balanced assessment of the interwar eugenics movement's success and failures and identifies connections and discontinuities between the movement and the post war communist regime Nationalism And Communism In Romania Trond Gilberg, 2019-04-10 This book analyzes Ceausescu's tools and goals that is party structure and how it was transformed in order to implement Ceausescu's concept of modernization which became interchangeable with the concept of building communism **Bulletin** ,1964 The Balkans in Transition Charles Jelavich, Barbara Jelavich, University of California.
