Rumi In The Arms Of The Beloved:

Rumi Jonathan Star,2008-12-26 Landmark translations of the Sufi poet mystic Rumi from the acclaimed interpreter of the Tao Te Ching Jonathan Star has assembled selections of Rumi's verse in a treasury that spans the poet's life and includes his most celebrated and poignant work It is an enchanting volume of classic Eastern thought that creates an exhilarating experience for all readers Rumi Jalāl al-Dīn Rūmī (Maulana),2008 The Hermetica Timothy Freke,Peter Gandy,2008-12-26 The first easily accessible translation of the esoteric writings that inspired some of the world's greatest artists scientists and philosophers Here is an essential digest of the Greco Egyptian writings attributed to the legendary sage god Hermes Trismegistus Greek for thrice greatest Hermes a combination of the Egyptian Thoth and the Greek Hermes The figure of Hermes was venerated as a great and mythical teacher in the ancient world and was rediscovered by the finest minds of the Renaissance The writings attributed to his hand are a time capsule of Egyptian and Greek esoteric philosophy and have influenced figures including Blake Newton Milton Shelley Shakespeare Botticelli Leonardo da Vinci and Jung Providing a fascinating introduction to the intersection of the Egyptian and Hellenic cultures and the magico religious ideas of the antique world The Hermetica is a marvelous volume for anyone interested in understanding the West's roots in mystical thought Soulshaping Jeff Brown,2010-06-15 An engaging inspirational memoir that takes readers on a soul searching journey toward heart consciousness and spiritual authenticity Ever since childhood Jeff Brown did all the things he was supposed to do to become successful in the eyes of the world He was on the Dean's Honor List as an undergraduate He won the Law and Medicine prize in law school and apprenticed with a top criminal lawyer It had been Brown's lifelong dream to practice criminal law and search for the truth in the courtroom But then on the verge of opening a law practice he heard a little voice inside telling him to stop just stop With great difficulty he honored this voice and began a heartfelt quest for the truth that lived within him Although he didn't realize it at the time Brown was actually questing for his innate image the essential being that he came into this lifetime to embody He was searching for his authentic face By going inside and connecting his spirituality with his emotional life he learned essential lessons By learning to surrender to the School of Heart Knocks the school of life the found his authentic face and embraced the call to write Soulshaping is an inspiring memoir for anyone who has heard a whisper of something truer calling out to them amid the distractions of modern life Jeff's dramatic and often funny story takes readers through remarkably human experiences emotional physical and economic as he vividly recounts his journey to discover his soul's purpose A work of courageous self creation Soulshaping reminds us that we are all truly connected that our seemingly isolated struggles are actually part of the shared human challenge to live a life that is heart centered and soul driven **The Aquarian Gospel of Jesus the Christ** Levi H. Dowling,2009-03-05 An extraordinary vision of unity among the world's historic faiths and a classic of New Age spirituality Here is a hugely influential interpretation of the lost years of Jesus Christ from roughly the ages of twelve to thirty that are not covered in Scripture in

which the Son of Man is seen to travel through the religious cultures of the East learning and preaching the unifying spiritual ethic behind all religions The Aquarian Gospel of Jesus the Christ is a stirring and deeply involving vision that profoundly impacted the development of alternative spirituality in the early twentieth century and continues to touch readers today Now the unabridged narrative of this powerful work drawn from one of its earliest volumes is redesigned for ease of reading in a handsome signature edition

Knitting Into the Mystery Susan S. Jorgensen, Susan S. Izard, 2003 Knitters there are some 38 million of them in the United States alone are part of a tradition that is both plainly practical and deeply spiritual With needles clicking they weave together not just garments to warm the body but also comfort and companionship to nurture the soul This tradition is flowering today through knitting ministries a worldwide ecumenical movement of women's groups gathering to pray and knit for those in need and those celebrating life's joys As they create shawls for others their handiwork becomes an expression of their love and of the loving care of the God who works through them Knitting into the Mystery shares the stories of how this ministry has touched lives and hearts around the world It offers directions for knitting the shawls and for starting a parish or community knitting ministry It also provides a selection of prayers written from many faith traditions to offer with each completed shawl Book jacket

Common Spirit, Common Ground Michael Strange, 2002 This book celebrates the diverse and unique perspectives of spirituality as expressed by the world's major religions At the same time it explores the similarities between the major religions with respect to the transcendental experience itself There are many paths that lead up to the mountain and from its summit one can appreciate them all Whatever your current spiritual practice may be the intention of this book is to help you deepen it It was written to support mutual respect and tolerance between different cultures and their spiritual ideologies We can even find ways to appreciate one another For those of us who follow the spiritual journey there is more that unites us than separates us And the diversity between us can open us to new inspiration and to closer union with Spirit as we listen to one another with an open heart

Rumi's Songs of the Soul Rae Chandran, 2017-11-03 What is not known about me is that I was greatly influenced by the understandings and philosophy of the magi who were the followers of the sacred fire I had thoughts put into my mind while I slept and during times of deep silence about the sacredness of all life and about how to accept things in life without discarding any of it I followed this and never gave up on finding God for in rejecting any part of God I was rejecting God entirely Now in modern times people must carefully examine what supported them before and make adjustments and corrections wherever necessary I wanted to bring my writings in a newer form that would suit your present Earth reality because of the changing times and planetary shift To do this I chose my old student Rae he was one of the students at the seminary in Konya to bring forth this new understanding to help people remember the Law of One and the Family of God I offer these poems in humble gratitude Rumi

Sufism Deepshikha Shahi,2020-06-22 In an effort to attain a global character the contemporary academic discipline of International Relations IR increasingly seeks to surpass its Eurocentric limits thereby opening up pathways to incorporate non Eurocentric worldviews Lately many of the non Eurocentric worldviews have emerged which either engender a derivative discourse of the same Eurocentric IR theories or construct an exceptionalist discourse which is particularly applicable to the narrow experiential realities of a native time space zone as such they fall short of the ambition to produce a genuinely non derivative and non exceptionalist Global IR theory Against this backdrop Sufism A Theoretical Intervention in Global International Relations

performs a multidisciplinary research to explore how Sufism as an established non Western philosophy with a remarkable temporal spatial spread across the globe facilitates a creative intervention in the theoretical understanding of Global IR
