*Creativity in the life cycle* A. Reza Arasteh,2024-10-28      *Rumi* Franklin Lewis,2000 This is a definitive guide to the life and work of Jall al Din Rumi Franklin D Lewis s text considers not just the man but also his times his legacy and his role in a

changing world     The Hidden Ground of Love Thomas Merton, 2011-04-01 Thomas Merton 1915-1968 is the most admired of all American Catholic writers. His journals have recently been published to wide acclaim. The collection of Merton's letters in *The Hidden Ground of Love* were selected and edited by William H. Shannon.     *The Sufi Path of Love* William C. Chittick, 1984-06-30 This is the most accessible work in English on the greatest mystical poet of Islam, providing a survey of the basic Sufi and Islamic doctrines concerning God and the world, the role of man in the cosmos, the need for religion, man's ultimate becoming, the states and stations of the mystical ascent to God, and the means whereby literature employs symbols to express unseen realities. William Chittick translates into English for the first time certain aspects of Rumi's work. He selects and rearranges Rumi's poetry and prose in order to leave aside unnecessary complications characteristic of other English translations and to present Rumi's ideas in an orderly fashion yet in his own words. Thorough nontechnical introductions to each chapter and selections that gradually present a greater variety of terms and images make this work easily accessible to those interested in the spirituality of any tradition.     **A Cross-Cultural Redefinition of Rational Emotive and Cognitive Behavior Therapy** Murat Artiran, 2019-08-21 This unique volume integrates history, mythology, folklore, and theory and research to bridge the gap between Western and Middle Eastern approaches to and understanding of psychotherapy, particularly Cognitive Behavior Therapy (CBT) and Rational Emotive Behavior Therapy (REBT). Part I lays the foundation with an overview of the theoretical essentials of REBT and CBT in the West, the goals and assumptions of REBT and CBT in the Middle East, and what Middle Eastern clients understand about cognitive distortions, irrational beliefs, and emotions. In Part II, chapters delve more deeply into how psychology is placed in the context of Middle Eastern folklore. The author provides a summary of the history of psychology in the Middle East, an analysis of the relevance of Sufism to self-acceptance, acceptance of others, and life acceptance, and an evaluation of the use of metaphor in psychotherapy from the Middle Eastern perspective. Finally, the author provides case studies that show how these concepts are applied in practice. This text is ideal reading for researchers and clinicians who study Middle Eastern psychology and who work with Middle Eastern clients as well as for Middle Eastern psychologists and clients.     **The Triumphal Sun** Annemarie Schimmel, 1993-01-01 This is a book on Rumi's life, his poetry, his thought, and his influence. Rumi's work forms one of the pillars of the Sufi orders, particularly the Mevlevi order, better known in the West as the Whirling Dervishes. In this book, Rumi emerges not only as a spiritual master but also as a fully human being grounded firmly in the Koran and in classical Islamic mysticism. The light of the Divine Sun in its Beauty and Majesty manifested itself for Rumi through the person of Shams of Tabriz. Transformed by this light, consumed by this fire, Mowlana Rumi saw the world in a new light. Everywhere he perceived God's Grandeur and His Grace. The book also discusses the theological premises upon which Rumi's work rests, his attitude to the problems of free will and predestination, and his analysis of the mystical stages and stations. The book not only gives a very rich analysis of Rumi's language and poetical art but also a picture of medieval Konya, whose features the mystical poet

transforms and transfigures      **Thomas Merton's Encounter with Buddhism and Beyond** Jaechan Anselmo Park, 2019-03-07 Thomas Merton recognized the value and possibility of contemplative dialogue between monastics and contemplatives of other religious traditions and hoped that through such dialogue monastics would strive for inter monastic communion and a bonding of the broader spiritual family He held out hope that this bond would demonstrate the fundamental unity of humanity to a world that was becoming ever more materialistic and divided Among other themes and topics this book explores Thomas Merton's role as a pioneer of Buddhist Christian dialogue and monastic interreligious dialogue It delves into the process of Merton's self transformation through contemplative experiences explores his encounter with Zen and Tibetan Buddhists and his pioneering engagements in Buddhist Christian dialogue and presents and responds to the criticisms of those who raise questions about Merton's understanding of Buddhism Fr Jaechan Anselmo Park OSB articulates and analyzes the influences of Buddhist theory and practice on Thomas Merton's contemplative spirituality and shows how Merton's legacy has influenced and continues to inspire interreligious and inter monastic dialogue particularly in an Asian monastic context      **National Union Catalog** ,1973 Includes entries for maps and atlases      **Final Integration in the Adult Personality** A. Reza Arasteh, 2023-07-31      **The Sufi Doctrine of Rumi** William C. Chittick, 2005-06-16 There are almost no authoritative books readily available for the general reader that provide in clear and accessible language an introduction to the spiritual perspective illuminating Rumi's magical poetry In this beautifully illustrated work William C Chittick a leading scholar of Sufism and Rumi opens doors that give us access to the inner sanctum of Rumi's thought

**Psyche, Soul, and Spirit** Rachel Berghash, Katherine Jillson, 2016-04-14 A spirit runs through the interdisciplinary essays of this book a spirit that lives within them and hovers above them at once intelligent and profoundly simple Although each essay focuses on a certain topic whether it is the Buddhist saint Milarepa the prophet Jeremiah or the Christian saint Teresa of Avila whether it is the Israeli Palestinian conflict or subtleties of the spirit these essays have penetrable borders that dissolve at the seams and touch each other religiously philosophically and psychologically The use of an interdisciplinary methodology that draws from the wisdom of different disciplines in regard to values such as courage in the face of attacks and integrity in the midst of a worldly environment culminates in a rich source of inspired guidance for everyday life

**Existential Psychiatry** ,1967      **Practical Sufism** Phillip Gowins, 2012-12-19 This wise funny and compassionate book follows Gowins apprenticeship with Pir Vilayat Inayat Khan spiritual leader of the Sufi Order International Until now Pir Vilayat's order has not had a strong accessible introduction This book not only provides that service but is more down to earth than most books on Sufism It also has the advantage of being universalistic The Sufi Way is not a religion or a component of a religion but the heart of all religions and spiritualities Gowins says Because it is non dogmatic and offers no catechisms or creeds its teachers are essential Gowins emerges as a superb teacher offering a user friendly guide to the Sufi Way that is at once valuable to any seeker entering any spiritual path Gowins is quick to emphasize that Sufism is not the

only path or even the right path for everyone His approach is full of engaging stories and specific practices that could be helpful in many circumstances Readers will benefit from his gentle Sufi teachings of love tolerance unity and consciousness no matter what their chosen path      *The Life and Work of Jalaluddin Rumi* Afzal Iqbal,1999 Rumi is perhaps the only example in world literature of a devoted prose writer who suddenly burst forth into poetry during middle age to become a truly great mystical poet for all time This book a long overdue reckoning of his life and work begins with a description and examination of the living conditions in 13th century Persia Building on this context Afzal Iqbal proceeds to fully analyze the formative period of Rumi s life leading up to 1261 when he began the monumental work of writing the Mathnawi Toward the end of the book Iqbal more generally investigates Rumi s thought and includes translations of those portions of the Mathnawi that have been hitherto unavailable in English Combining an unparalleled familiarity with the source material a total and critical understanding of the subject and a powerful and readable prose style this is an extraordinary study of a truly remarkable poet and mystic
