Rumor And Other Stories:

Rumor and Other Stories James Robison, 1985 **Have You Seen the Moon Tonight? and Other Rumors** Jonathan Louis Duckworth, 2023-07-21 Duckworth is a magician of the macabre in these sixteen wonderfully inventive and wickedly unsettling tales of the inhuman ruin creeping just beneath the surface of the everyday With an enviable deftness and wide ranging imagination for the terrible in its many forms Duckworth conjures up unforgettable new worlds of uneasy horror Gordon B White author of *As Summer's Mask Slips and Other Disruptions* A 5 000 year old warlock gets fired from his side hustle as a stage magician at a South Beach strip club and takes it personally Henry David Thoreau discovers a sinister humanoid fungus buried under his bean field A well meaning long haul trucker picks up an underage drifter at a Texas diner not realizing he's the one in danger After a world ending plague a survivor discovers a strangely well maintained house populated by animate paper butterflies In Miami an out of work contractor and his girlfriend navigate an emergent apocalypse as something on the moon's surface drives everyone on Earth who sees it insane These and other stories form Jonathan Louis Duckworth's debut story collection *Have You Seen the Moon Tonight* The collection is comprised of 16 supernatural short stories in a shared universe Many of the stories explore a kaleidoscope of possible world ending scenarios the moon becoming a vector for madness a book that infects and corrupts any writing it touches the forgotten inhabitants of the ocean rising up to drown humanity's toxic empire and language itself becoming a mind blasting plague These stories explore damaged and jaded people reconnecting with their lost humanity or discovering the inhuman multitudes hiding beneath their skin *Have You Seen the Moon Tonight and Other Rumors* is filled with worlds that seem at once familiar yet also entirely unexpected and even disturbing These strange and haunting stories will stick with you long into the night Make no mistake Jonathan Louis Duckworth is an author to watch Gwendolyn Kiste Bram Stoker Award winning author of *The Rust Maidens* and *Reluctant Immortals* [Rumor Mills](#) Veronique Campion-Vincent, 2017-07-05 The goal of this volume is to explore the social and political dynamics of rumor and the related concept of urban or contemporary legend These forms of communication often appear in tandem with social problems including riots racial or political violence and social and economic upheavals The volume emphasizes the connection of rumor to a set of social concerns from government corruption and corporate scandal to racial religious and other prejudices Central to the dialogue are issues of truth belief history public policy and evidence Rumor has been recognized as one of the most important contributing factors to violence and discrimination Yet despite its significance in exacerbating social discord and mistrust little systematic scholarly attention has been paid to the political origins and consequences of rumor Rumor is defined as a proposition for belief that is not backed by secure standards of evidence Rumor can be traditional or not and can be expressed as a simple claim of fact In both instances groups of claim makers operating out of their own interests and with a set of resources attempt to depict reality and if possible impact the future The need for this book is underscored by changing patterns of technology What in the past

was grounded in face to face interaction is now often found on the Internet which is a major source of rumor An appreciation of how new electronic forms of communication affect communal belief is essential for explicating rumor dynamics The volume is comprehensive Essays cover race and ethnicity migration and globalization corporate malfeasance and state and government corruption While editors and contributors well appreciate the dynamic nature of rumors and legends the high quality of the effort make it evident that the issues that are raised and reoccur will serve to channel and inspire research in this major field of communications research for years to come

Rumors of Resistance Amanda C. Miller, 2014 James C Scott's discussion of hidden transcripts of defiance or resistance among subordinate groups has been taken up in suggestive ways by scholars who claim to detect elements of defiant transcripts in or behind Paul's letters This book uses Scott's theory to explain tensions within the narrative of the Gospel of Luke

Rumors of God Darren Whitehead, Jon Tyson, 2011-07-18 Discover a faith that goes beyond doubt and reveals how God continues to fulfill his promises today just as he did in biblical times unlocking true purpose and fulfillment in our busy modern lives Where is the life God promised us In the midst of our fast paced schedules and endless distractions we often push God to the background struggling to believe that his promises are still relevant He seems distant and the abundant life Jesus spoke about doesn't seem possible When we hear that God wants to give say and show us more we assume it's just a rumor But what if God really is calling us to something more a life of deeper purpose fulfillment and peace today and right now In Rumors of God Jon Tyson and Darren Whitehead challenge us to reimagine what it means to live a life shaped by faith They invite us to close the gap between the promises we've heard and the reality we experience helping us see how God's presence and power are at work even in our modern everyday lives This book is more than a reminder it's a call to rediscover a God who is active present and moving among us For those feeling weary jaded or uncertain about how faith fits into today's world Rumors of God offers a fresh perspective on God's timeless promises

Schooled by Rumours Thomas Ramadhani SJ, 2020-02-25 Rumours are perhaps as old as humanity itself because human brain is hardwired for storytelling With modern allegiance to speed and advance in social media the need for objective truth is decomposing Everyone today is at the mercy of taps and clicks on the gadgets Public shaming and cyber bullying have even led to suicides Amid devastating rumours Father Ramadhani turned to the Bible for solace The result is these fourteen stories of how God and God's people deal with rumours Half is taken from the Old Testament with the struggles of the Israelites Moses Hannah Naaman Jonah Job Tobit and Sarah The other half is from the New Testament with the experiences of Paul Zacchaeus the soldiers the sinful woman the prodigal son the disciples John the Baptist and Jesus This final sequel in his Trilogy of Redemption is a message of hope for

those who have become helpless victims of rumours It is also an invitation to conversion for those who are addicted to spreading rumours *Narrative Landmines* Daniel Leonard Bernardi,Pauline Hope Cheong,Chris Lundry,Scott W.

Ruston,2012-03-12 Islamic extremism is the dominant security concern of many contemporary governments spanning the industrialized West to the developing world *Narrative Landmines* explores how rumors fit into and extend narrative systems and ideologies particularly in the context of terrorism counter terrorism and extremist insurgencies Its concern is to foster a more sophisticated understanding of how oral and digital cultures work alongside economic diplomatic and cultural factors that influence the struggles between states and non state actors in the proverbial battle of hearts and minds Beyond face to face communication the authors also address the role of new and social media in the creation and spread of rumors As narrative forms rumors are suitable to a wide range of political expression from citizens insurgents and governments alike and in places as distinct as Singapore Iraq and Indonesia the case studies presented for analysis The authors make a compelling argument for understanding rumors in these contexts as narrative IEDs low cost low tech weapons that can successfully counter such elaborate and expansive government initiatives as outreach campaigns or strategic communication efforts While not exactly the same as the advanced technological systems or Improvised Explosive Devices to which they are metaphorically related narrative IEDs nevertheless operate as weapons that can aid the extremist cause Tales, Rumors, and Gossip
