## **Rumored Place:**

**Rumored Place** Rob Halpern, 2004 Poetry RUMORED PLACE Rob Halpern's first book combines a near confessional narrative of physical passion with the documentation of social fact. The book he states is situated between subjective desire and objective need. Any reader making way through RUMORED PLACE will feel intimations of transformation creeping all around the dark horizon. Here history is both fantasy and nightmare and this examination of it a bad conscience that needs to become critique. With an extraordinary soulful ferocity Rob Halpern's new work commits itself to a lyric interrogation of power. Camille Roy

**Area 51** J.D. Rockefeller, 2015-09-27 Area 51 has been a sight of great mystery for decades. It is located in the United States and is often linked to government secrets, aliens, and UFOs. Whenever there is discussion about whether aliens exist, there is almost always someone who begins to talk about Area 51, as this is the area where it is believed that there is the biggest cover up. Quite a few conspiracy theories exist as to what Area 51 really is about. There are quite a few people who believe that the government has been covering up the existence of aliens since the 1950s and that the aliens and their UFOs are present in Area 51. Throughout this book, you will learn more about Area 51, including the government's UFOs, facts about aliens, and much more. Then you can decide what you think is really going on in this area.

**An Epidemic of Rumors** Jon D. Lee, 2014-01-14 In *An Epidemic of Rumors*, Jon D. Lee examines the human response to epidemics through the lens of the 2003 SARS epidemic. Societies usually respond to the eruption of disease by constructing stories, jokes, conspiracy theories, legends, and rumors, but these narratives are often more damaging than the diseases they reference. The information disseminated through them is often inaccurate, incorporating xenophobic explanations of the disease's origins and questionable medical information about potential cures and treatment. Folklore studies brings important and useful perspectives to understanding cultural responses to the outbreak of disease. Through this etiological study, Lee shows the similarities between the narratives of the SARS outbreak and the narratives of other contemporary disease outbreaks like AIDS and the H1N1 virus. His analysis suggests that these disease narratives do not spring up with new outbreaks or diseases but are in continuous circulation and are recycled opportunistically. Lee also explores whether this predictability of vernacular disease narratives presents the opportunity to create counter narratives released systematically from the government or medical science to stymie the negative effects of the fearful rumors that so often inflame humanity. With potential for practical application to public health and health policy, *An Epidemic of Rumors* will be of interest to students and scholars of health, medicine, and folklore.

[Using Online Data to Understand Personal and Public Health Outcomes and Behaviors](#), 2023-04-05 *Brave New Love* Paula Guran, 2012-01-19 When society crumbles, can young love survive? When the young are deprived of their bright future and left to survive day to day, what bonds remain between individuals? Can young love survive a dystopian nightmare? This exciting collection of stories explores the struggles, both emotional and physical, of teenagers trying to survive as society falls apart or as they help build a new world. Congress. House. Committee on Public Works and Transportation. Subcommittee on Aviation, 1991      *Rumors of Wisdom* Scott C. Jones, 2009 Efforts at interpreting Joban poetry have often been divided between philological and literary critics This study brings these two critical modes together to offer an account of how Job 28 achieves meaning The heart of the study consists of two major sections The first is a reading of the poem with special attention to the conceptual background of its metaphors Rather than a poetic account of mining technology Job 28 is properly understood against the heroic deeds of ancient Mesopotamian kings described in Sumerian and Akkadian royal narratives especially the Gilgamesh epic The second major section is a thorough philological and textual commentary in which comparative philological and text critical methods are complemented by an aesthetic rationale for restoring the text of the poem as a work of art The study reveals a multileveled and image driven masterpiece whose complexity impacts how one reads Job 28 as poetry and theology      *Wings of Death* James Axler, 2014-02-01 **ETERNAL OCCUPATION** The quasi immortal aliens enslaving humanity underestimated the freedom cry of the human soul Mankind's battle to reclaim its independence is spearheaded by a remarkable group of resistance fighters And now the Cerberus rebels must confront a former adversary on a quest for a relic of mythical power **EVIL RISING** An old enemy of the Cerberus warriors unleashes Harpy like killers on the African continent hoping the blood hungry winged beasts and their love of human flesh will aid in his capture of a legendary artifact the powerful staff wielded by Moses and King Solomon Except the staff's out of his reach safe in Kane's hands And with the murderous rampage spiraling out of control and an exiled prince bent on unlocking the gates of Hell the staff is all that stands between the rebels and Africa's utter decimation      There Were Bears and Rumors of Bears Andre Miftaraj, 2004-08 *There Were Bears and Rumors of Bears* is a collection of stories that explores spiritual injury and recovery using a variety of interior and exterior narrative approaches to depict the profane and sacred the mundane and non ordinary aspects of

experience In each story the characters encounter situations in the physical world and sometimes beyond the physical world that create a pressure that forces them up against or through aspects of their emotional makeup causing profound changes In Where is the Sleeping Joe Bower a dream narrative is used as a springboard for interpretation and examination of the psyche of the dreamer who is outside of the story The Hamburger U offers a portrait of a young girl that is grounded in consensus reality using elements of personal biography to offer an explanation for her depression and a death to suggest the distance she has to travel to escape the condition Riding the Sit Bones and There Were Bears show the transforming power of male and female relationships on the psyche By this Gospel and Bb speculate about the role of ancestry in the present emotional and spiritual conditions of the protagonists Some Things You Lose honors the day to day struggles inherent in overcoming broken relationships and addiction and Greektown juxtaposes violence and non ordinary metaphysical experience The collection is held together by a poetry of voice and examination of specific detail that is common to all of the stories although the points of view and characters change
