

Nature and supernatural are not two separate worlds,
but different expressions of the same reality.

—Philip Yancey

Philip Yancey says, "I am where you are... an ordinary person trying to figure things out. I'm a human being: I love, I weep, my friends die, I experience beauty, I live. And as I live, I try to figure out if there is a God, and what difference would that make... This books comes out of my own search and is written specifically on behalf of those who live in the borderlands of belief – the region between belief and unbelief."

In *Rumors of Another World*, Philip Yancey asks, "Is the visible world around us all there is?" and "What rumors of another world might it convey?" He then examines the apparent contradictions. If this is God's world, why doesn't it look more like it? Why is this planet so messed up? Finally, the book considers how two worlds – the visible and invisible, natural and supernatural – might interact and affect our daily lives.

Throughout, Yancey invites readers to explore the difference the answers make in coming to grips with our lives.

Philip Yancey has written twelve award-winning books, with four selling over a million copies each, including *What's So Amazing About Grace?* He and his wife live in Colorado.

Lichtenwaller,2008 The Book of Revelation The Apocalypse Words that often call to mind bizarre creatures strange seals dreadful plagues and a slew of other mystifying symbols Most of us approach this last book of the Bible with forebodings rather than hope To us John s vision seems more like a nightmare But the elderly apostle begins with a statement that doesn t seem to fit the rest of the book The revelation of Jesus Christ Apparently he intends to unveil something tremendously important about Jesus Something life changing Something we can t afford to miss Larry Lichtenwaller explores a side of Revelation seldom portrayed Christ s passionate love for humanity This recurring theme subtly appears in the imagery and symbolism throughout John s vision The

slain Lamb The divine protective sealing The blood bleached white robes The heart wrenching prayer of the saints Without Christ's love these scenes and symbols would mean nothing Ultimately John's vision reveals the extraordinary love of our Savior for His rebellious undeserving children and the incredible reasons we can love Him in return **I Wish Jesus**

Hadn't Said That Steve Timmis, 2014-01-28 Jesus never said that following him would be easy We've read the words countless times Love your enemies You cannot serve both God and money Take up your cross and follow me Theoretically we believe them But do we engage what Jesus says in a way that prompts action The truth we avoid talking about is that being a follower of Jesus is terribly inconvenient a pain in the neck at times because it cuts across so many of our natural desires But there is an even greater danger in avoiding what Jesus says If we harden our hearts to the teachings of Jesus we will never find true happiness In this powerful new book author Steve Timmis calls all believers to consider ten sayings of Jesus that reveal where our affections lie He reminds us that Christians are called to abandon not cherish the ways of the world and reject not pursue the things that afford us status prestige and pleasure As followers of Jesus we must grapple with what it means to follow him and accept his verdict on what constitutes the good life no matter how counter cultural it may seem Doing so will powerfully reorient our hearts **Cry of the Elephant Man** Erik L. Strandness MD MATH, 2016-06-30 We are

in danger of losing our identities as unique beings created in the image of God Our culture not wanting to answer to a higher authority tries to expel God from the planet but in the process strips off the very image that makes us human If we officiate at the death of God we will also be forced to preside over the funeral of man The good news is that despite the loud voices declaring that we are just evolved animals the vast majority of us behave as if we are special Since the characteristics that make humans unique are found nowhere else on the planet we are compelled to look to the heavens We have a choice we can find significance running with the pack or in becoming children of God We can howl at the moon or offer prayers to our Father but either way we will end up worshiping our maker Dr Strandness explores what it means to be created in the image of God by examining those qualities that are universally recognized as unique to humankind He makes the case that these characteristics have a heavenly origin and can only be adequately explained by a Biblical understanding of humans as God's image bearers **Singleness, Marriage, and the Will of God** J. Robin Maxson, 2012 Not everyone will marry or should

but virtually all single adults think about marriage And all make decisions that either maintain their singleness or attempt to change it This book by the authors of the groundbreaking Decision Making and the Will of God offers an in depth tutorial to help singles apply biblical principles to the critical choices they confront Do I want to get married Are there good reasons to remain single What sort of person should I consider as a potential spouse How do I look for a mate What should I do if no spouse shows up What is God's role in the decision making process This comprehensive volume will equip readers to make wise choices about marriage according to the will of God It's also an invaluable resource for parents counselors and pastors

The Divine Defense Robert Jeffress, 2010-06-02 It's what you can't see that can hurt you The temptation that regularly

assaults you the depression or illness that pulls you down the discord in your relationships the private doubts you harbor about God These are not just a natural part of life they re battles in a behind the scenes war against your faith family and future From a balanced perspective Robert Jeffress lifts the curtain of everyday existence to reveal these invisible but very real battles in the war Satan wages against followers of Christ like you Because you don t have to be spiritual road kill Using the spiritual armor of Ephesians 6 The Divine Defense outlines six practical strategies you can use through every day to defeat Satan s vicious and destructive plan Recognize and replace destructive thoughts the belt of truth Do what you know you should do the breastplate of righteousness Make God s business your business boots of the gospel of peace Move forward in spite of doubts the shield of faith Remember your power to win the helmet of salvation Strengthen your resolve to resist the sword of the spirit Together these strategies form The Divine Defense that will help you live victoriously in the unshakable power of God *Rumours of Another World Signed Copy* Philip Yancey,2003-08
