Rumpelstiltskin A Tale Told Long Ago:

Rumpelstiltskin's Secret Harry Rand, 2019-12-09 Everyone knows Rumpelstiltskin's story or thinks they do. But this innocent seeming tale hides generations of women's shrewd accounts of their relationships with men. And the verdict is not flattering. The fairytale may count among the world's oldest dirty jokes. The theme of the tale, an observation repeated and varied throughout, mocks male inadequacy in many forms, beginning with sexual failure. The punchline, misplaced over time, its wickedly funny insights about adult life passed for childish nonsense. The story hides in plain sight criticism of workplace sexual harassment centuries before society took notice of the indignity. Rumpelstiltskin tells a feminist tale with lessons for men and women about what women said to each other when they thought their private conversation and complaints passed unnoticed. In the story's different versions, the Brothers Grimm, who recorded the tale, missed women's wry observations.

Rumpelstiltskin Edith Tarcov, 1974 A strange little man helps the miller's daughter spin straw into gold for the king on the condition that she will give him her first born child. *The Philosophy Of Rumpelstiltskin* Edward Clodd, 2015-10-28 The philosophy of Rumpelstiltskin was delivered as a lecture to the esteemed members of the Folklore Society. An engaging look at how the science of folklore was treated at the time while giving a very fresh look upon the classic fairytale Rumpelstiltskin. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high-quality modern editions using the original text and artwork. *Rumpelstiltskin* Edith H. Tarcov, Jacob Grimm, Wilhelm Grimm, 1973 A strange little man helps the miller's daughter spin straw into gold for the king on the condition that she will give him her first born child. *Grimms' Tales for Young and Old* Brothers Grimm, Jacob Grimm, Wilhelm Grimm, 2011-04-27 For readers of all ages, two hundred and ten tales of the Brothers Grimm, including Cinderella, Sleeping Beauty, Snow White, and Hansel and Gretel, translated by Ralph Manheim, the highly acclaimed and prize-winning translator. Manheim has rediscovered in the original German Grimms editions of the tales the unadorned direct rhythm of the oral form in which they were first recorded. He has retained their ageless magic and mythology and restored the extraordinary vitality and wit, the acute perceptions of human strength and facility mirrored in the facets of these small gems. The best modern translation of the complete Brothers Grimm Choice.
