Rumpole Of The Old Bailey:

Rumpole and His Rivals Peter Robson, 2025-02-15 Rumpole and His Rivals examines comic legal fiction and the role it plays in the public's understanding of the legal system. The work focuses on the writings of eight lawyer authors over the past century and traces the different approaches taken in this form of comedic literature. Over sixty comic legal fiction books have been published in Britain between 1924 and 2024 with the desire of their authors not only to entertain but to inform, educate and create a valuable resource for anyone seeking to understand how and why the rule of law and legal profession have garnered the current reputation and level of confidence which they have.

Play For Today Irene Shubik, 2000 Writing from first hand experience, the author describes the role of the producer in the making of an original television play from the initial discussions with writers to the transmission. Irene Shubik worked on Play for Today for the BBC and was also a drama producer for ITV.

ABA Journal, The ABA Journal serves the legal profession. Qualified recipients are lawyers and judges, law students, law librarians and associate members of the American Bar Association.

Rumpole Misbehaves John Mortimer, 2007 His ire raised by a series of procedural abuses through which children have been imprisoned by neighborhood snobs without trial for innocent activities, barrister Horace Rumpole defends a youth who has been targeted for playing on a posh street, but his efforts are complicated by Rumpole's jokester colleagues.

How to Laugh at Death and Taxes Barbara Amsden, 2024-07-22 This book is for everyone at some time in their life. If you're breathing, this book's for you or your parents, friends, teenagers moving into their first apartment, newlyweds, new parents, siblings, oh, and the person or people you name as executor. Hope to be a beneficiary or heir? Yup, you too. Think you can do it alone? Be my guest, but first Google executor horror stories. What makes this book different? It's four for the price of one. You can use it when you're naming, accepting to be or serving as executor, and if you're an heir or beneficiary. It's by a layperson who survived. Most of what you'll find about naming, being and dealing with executors comes from legal, financial or tax experts and governments. Makes sense. For them, death is a growth industry. But for you, it's about naming someone you trust to look after your affairs when you die, understanding the effort and risks if you've been asked to be an executor, managing an estate effectively if you're acting as one, and knowing where you stand if you expect to inherit. It offers useful tools. The book provides plain language explanations, checklists, templates and tips. It's long lasting. While legal, tax, accounting and financial rules change, and the book mainly uses Ontario examples, the process to follow and the questions to ask experts will not. Also, the approach is generally similar to that in many other countries. Caution. To help relieve the subject's misery and tedium, this book uses humour, be warned.

The First Rumpole Omnibus John Mortimer, 1984-01-03 Who rose to enduring fame on *Blood and Typewriters*, told the pregnant Portia of the Chambers it would come out in the end, advised Guthrie Featherstone Q C to adopt a more judicial attitude, returned in the tender gloaming of each evening via Pommeroy's and a glass of Chateau Fleet Street to She Who Must Be Obeyed. The answer is
