how it reflects the changing nature of British culture are detailed here **John Mortimer** Graham Lord, 2013-12-03 In Britain every generation produces a national treasure a lovable figure so English that he could not possibly be of any other nationality and Sir John Mortimer is just such a figure Mortimer has delighted millions all over the world with seven television series about the gloriously larger than life fictional barrister Horace Rumpole Rumpole of the Bailey as well as novels autobiographies stage plays film scripts short stories television and radio plays newspaper articles and even an opera and a ballet Laurence Olivier John Gielgud and Alec Guinness appeared in his plays and among his greatest theatrical triumphs is his stage and television play *A Voyage Round My Father* He won a British Book Awards trophy for Lifetime Achievement in 2005 Mortimer actually practiced as a barrister for thirty six years defending husbands wives pornographers and murderers in court and starring as the real life Devil's Advocate in several legendary obscenity and blasphemy cases in the 1970s quickly becoming a liberal hero Yet despite huge success fame and knighthood there lurks beneath that genial champagne socialist mask an unusually complex man who has been plagued by depression doubt insecurity and an irresistible urge to commit adultery Biographer Graham Lord whose discovery that Mortimer had a secret son by the British actress Wendy Craig forced Sir John to admit it publicly in 2004 has interviewed scores of Mortimer's family friends mistresses and enemies to write a frank and vital biography that reveals the startling reality behind the beloved public figure Breathless prose and many juicy revelations an absorbing read Kirkus Reviews **Utter Justice** Alfred H Knight, 2008-07 This book is a compilation of legal and law related statements that have defined and characterized our legal system over the centuries But the reader will quickly recognize that it is not a textbook in disguise The quotations and the actions and ideas they present and represent were selected by purely personal criteria the author found them fascinating important or revealing They range from history changing statements Henry II's will no one rid me of this turbulent priest to purely mythological encounters Lincoln's cross examination of Savine about the phase the moon was in when a murder took place to royal chit chat a devastating remark a high born lady made to the fugitive King James II which can be viewed as the final word on English royal tyranny to an apology made in a casual encounter on an American street that symbolized the healing of a terrible cultural wound The hope is to convey not a rigid history but a random flavor of how the law has been shaped by calculated casual powerful and even silly words uttered for the ages or merely for the moment This disparate verbal collection tells us that our legal system is not like a carefully sculptured statue but like a human being is composed of all that it has known and done and said *Quite Honestly* John Mortimer, 2007-02-27 From the creator of the Rumpole stories a novel of middle class do gooding gone awry Fans of John Mortimer and his popular Rumpole mysteries will love *Quite Honestly* a comedy filled with a delightful cast of characters and Mortimer's unique and entertaining take on a life of crime Life couldn't be better for Lucinda Purefoy college educated with a steady boyfriend and a job offer in advertising With all this good fortune isn't it appropriate for her to give something back to society Armed with only good intentions she joins
