**Run and Change Your Life** Josue Rojas, 2016-10-07 We all are runners in life We must have goals to achieve whether they are business job carrier finding the right person to start a family with or reaching an economic and social level among other goals In order to get them we must make the first step To figure out how to overcome difficulties that may appear on our path we only must proceed with the certainty that we will achieve what we proposed and believe that we'll get it and that any obstacle or mental cluster will be overcome with our faith The race of life is to know how to run it and to be focused on the goal It will teach you how to deal with the trials when tiredness and pain surround you You may change your steps or pace but never your vision toward your goals or dreams You may take a pause to refresh yourself to catch up your breath or to deeply remove habits that may be burdens or obstacles that hold you from advancing Todos somos corredores en la vida Todos tenemos metas que alcanzar pueden ser un negocio un trabajo una carrera universitaria encontrar la pareja correcta para formar un hogar al cansar un nivel economico y social entre otras metas De manera que para llegar a obtenerlas tenemos que dar el primer paso Saber vencer las dificultades que se encuentran a nuestro paso tenemos que avanzar solo con la certeza de que lograremos lo que nos proponemos y creer que llegaremos entonces cualquier obstaculo o barrera mental se sobre pasa con nuestra fe La a carrera de la vida hay que saber como correrla es permanecer enfocado en la meta eso te ensena como tratar las dificultades en el trayecto cuando el cansancio y el dolor te agobie Puedes cambiar el paso o el ritmo pero nunca tu vision a tus metas o sueos Puedes hacer una pausa para refrescarte respirar profundamente despojarte de hbitos arraigados que te sean carga u obstculos que no te dejen avanzar
