Fear and Loving in South Minneapolis Jim Walsh,2020-12-01 A veteran Twin Cities journalist and raconteur summons the life of the city after reporting and recording its stories for more than thirty years Two or three times a week as a columnist hustling freelance writer and genuinely curious reporter Jim Walsh would hang out in a coffee shop or a bar or wander in a club or on a side street and invariably a story would unfold one more chapter in the story of Minneapolis the city that was his home and his beat for more than thirty years *Fear and Loving in South Minneapolis* tells that story collecting the encounters and adventures and lives that make a city hum and make South Minneapolis what it is Here is a man who drives around Minneapolis in a van that sports a neon sign and keeps a running tally of the soldiers killed in Iraq Here is another haunted by the woman he fell in love with and lost many years ago at the Minnesota Music Caf on St Paul s East Side Here are strangers on a cold night on the corner of Forty sixth and Nicollet finding comfort in each other s company in the wake of the shootings in Paris And here are Walsh s own memories catching up with him the woman who joined him in representing junior royalty for the Minneapolis Aquatennial when they were both seven years old the lost friend Soul Asylum s Karl Mueller recalled while sitting on his memorial bench at Walsh s go to refuge the Rose Gardens near Lake

Harriet These everyday interactions ordinary people and quiet moments in Jim Walsh s writing create an extraordinary picture of a city s life James Joyce famously bragged that if Dublin were ever destroyed it could be rebuilt in its entirety from his written works The Minneapolis that Jim Walsh maps is more a matter of heart of urban life built on human connections than of streets intersecting and literal landmarks it is that lived city documented in measures large and small that his book brings so vividly to mind drafting a blueprint of a community s soul and inviting a reader into the boundless enduring experience of Fear and Loving in South Minneapolis

Babes in Toyland's Fontanelle Selena Chambers,2023-02-09 Babes in Toyland was one of the most influential and underrated bands of the 1990s They rode the wave of the Minneapolis grunge scene crafting a unique sound composed of self taught instrumentation and unabashed banshee raging vocals Their stage presence was enigmatic their lyrics vitriolic and their Kinderwhore fashion ironic and easy to emulate But what made them most inspiring was their ethos and a unique brand of sisterhood that inspired fans to create Riot Grrl and form legendary bands such as 7 year Bitch Bikini Kill and Hole Despite the media s politicization of them as an all female band the Babes insisted their music wasn t a political

statement but about personal expression They would dismiss labeling their act as feminist but their actions sent a positive message of what a female space within music could look like Now almost 30 years after their most seminal record Fontanelle was released the legend of the band is being resurrected and re spun to reclaim their proper space and context in the history of music and women in rock

Learning How to Die traces the band's story to its deepest origins in Southern Illinois where Jeff Tweedy began growing into one of the best songwriters of his generation. As we witness how his music grew from its punk and alt country origins, some of the key issues and questions in our culture are addressed: How is music of substance created while the gulf between art and commerce widens in the corporate consolidation era? How does the music industry make or break a hit? How do working musicians reconcile the rewards of artistic risk with the toll it exacts on their personal life? This book was written with the cooperation of Wilco band members past and present. It is also fully up to date, covering the latest changes in personnel and the imminent release of the band's fifth album, *A Ghost Is Born*, sure to be one of the most talked about albums of 2004.
