

The background of the cover is a photograph of a courtroom. In the foreground, there are rows of empty wooden benches. A bright, warm light source, possibly a window or a spotlight, is on the left side, creating a strong glow and casting long shadows across the benches. The overall atmosphere is dramatic and somber.

Blood in the Water Walter Champion, Carlos A. Velasquez, 2021-06-22 This book looks at mass tort litigation in a variety of formats including lawsuits against manufacturers and Big Pharma The authors argue that without the personal injury bar outrageous examples of rampant corporate greed would continue to this day The author references many class actions such as the exploding Pinto Agent Orange the Opioid epidemic and concussions in the NFL Tort reform zealots argue that these lawsuits are bogus and detrimental to the American way of life This is of course ridiculous The authors argue that attorneys are the only means to alleviate the excesses of corporate greed by showing multiple cases of mistakes that were purposefully ignored because of the quest for corporate gain Big corporations live by a cost benefit analysis that allow and even foster the inevitable lawsuit which results from their greed
