Runaway Whale:

The Runaway Whale Keith Faulkner,1990 A little humpback whale goes exploring on his own but finds that he misses his mother Strandings Peter Riley,2022-02-24 Now the subject of a BBC Radio 4 documentary Wild and wonderful I doubt anyone will ever match Strandings for its sheer bravura its wry insight and its absolute engulfing and brilliantly enlivening whaleheadedness PHILIP HOARE ALBERT AND THE WHALE Addictive and scandalously fascinating Caught by the River When Peter Riley was thirteen a woman with blue hair and a comet tattoo asked him to help load the jaw of a sperm whale into the back of a Volvo 245 The encounter set Riley on a decades long quest to make sense of what had happened Enter the secretive world of whale scavengers When a whale washes up on one of Britain s coasts a fugitive community descends to claim trophies from the carcass Some are driven by magical beliefs Some are motivated by profit there is a black market for everything from ambergris to whaletooth sex toys But for others the need goes much deeper Join Riley on a tour of a stranded kingdom s weird outer reaches where nothing is as it seems Meet witches pedlars fetishists conspiracy theorists and fallen aristocrats And prepare for a final revelation as the mystery of the comet woman tangles with the enigmatic symbol of Leviathan itself beached on Britain s fatal shore *Whaling Masters* Federal Writers' Project,1987-01-01 This history of the whaling industry in New England includes a lengthy and very valuable list of the whaling masters their ships their home ports and the years in which they first sailed A classic text **The Run Away Pastor** Nadine Brown-Morris,2017-04-20 I Nadine Brown Morris too ran away for many years from God s call on my life and leading a very successful Prophetic Ministry Miracles Signs and Wonders from God regularly in people s lives I also know the adversary is setting traps for my readers and I am praying for you today knowing that God will raise up any boy or a girl even a donkey to deliver a word to change your life so that when the day of destruction comes just because of these prayers and words of encouragement your deliverance and protection will be sure through the Supernatural Intervention of the Almighty God whose miracles will speedily deliver you **Runaway Hollywood** Daniel Steinhart,2019-02-26 After World War II as cultural and industry changes were reshaping Hollywood movie studios shifted some production activities overseas capitalizing on frozen foreign earnings cheap labor and appealing locations Hollywood unions called the phenomenon runaway production to underscore the outsourcing of employment opportunities Examining this period of transition from the late 1940s to the early 1960s Runaway Hollywood shows how film companies exported production around the world and the effect this conversion had on industry practices and visual style In this fascinating account Daniel Steinhart uses an array of historical materials to trace the industry s creation of a more international production operation that merged filmmaking practices from Hollywood and abroad to produce movies with a greater global scope The Deserted Ship: a Real Story of the Atlantic ... Illustrated by T. Green. [Reprinted from "Good Words for the Young."] Cupples Howe,1873 **Shadow Dance** David Richo,2024-01-02 Discover how to embrace the dark side of your personality or the shadow self as introduced

by Carl Jung to live a fuller more authentic life Our shadow is the collection of negative or undesirable traits we keep hidden the things we don't like about ourselves or are afraid to admit egotist non PC proclivities forbidden sexual desires But it also includes our positive untapped potential qualities we may admire in others but disavow in ourselves Befriending the shadow makes fear an ally and enables us to live more authentically It also automatically improves our interpersonal relationships because we are freed from the need to project our own negativity onto others and we become more acutely aware when theirs is projected onto us David Richo looks for where the shadow manifests in personal life family interaction religion relationship and the world around us He shows how to use the gentle practice of mindfulness to work with our shadow side and he provides numerous exercises for going deeper He is remarkably skillful at making the shadow concept not only easy to understand but supremely practical for enhancing the quality of our lives *Be a Standard Not a Runaway* Mildred Louise French, 2015-02-13 Fear is the first spirit the enemy uses against us It leads us to feeling worried and anxious when we should be keeping our eyes on the Lord The Lord gives us wisdom to stand still and enter His rest We need to focus on the salvation of the Lord in all of our circumstances not the enemy's doings The act of unforgiveness can stop us from receiving all of the blessings from Him Remember that the Lord forgives us unconditionally of all sin So let us walk in love because love never fails Continue to use the word of God over circumstances that we face in daily life and let us protect ourselves from the enemy with the word of God Learn to trust the Lord and know that He will battle for us God will resurrect what you believe to be dead He is the God of the impossible He will show Himself strong when we are weak Let the Lord work out the events in your marriage don't try to fix situations yourself because it will not work *Crossing the Sahara by Scooter* Linda Appleby, 2011-06-01 Description This is a diverse collection Variety is the hallmark of the poems You cannot take one of two poems alone and become familiar with the poet's style The subject matter is the most uniform aspect These poems are about the struggle for respect the establishing of a place for a sufferer from schizophrenia through life on the hospital ward and homelessness The stage is set with natural scenery the hills and streams of South Cambridgeshire the bleak but potent fens A Welsh valley backdrop The poet's characteristic affinity with Nature is manifest in the weather and the seasons Her personal battle is fought out with thunder and rainbows by the elements Not an impersonal photograph but the countryside personified in emotion and spirit There is variety in spiritual orientation an eclectic but not too eclectic use of Buddhist Pagan and Christian traditions bound into a totally original philosophy Ballads songs hymns even a recognisable borrowing from the oral and sung forms but also free verse haiku rhyme or not the romantic the modern And humour If you sample across the whole range you will build a complete picture of one woman's slow wrestle for dignity and connection About the Author I was born in Cambridge five years after my Mum and Dad had come here from Wales in 1951 We were townies but there was plenty of contact with the university the major local industry Fascinated I worked hard and got a free place to The Perse Girls School three school prizes and places at Somerville and Wadham Colleges Oxford I got a degree in

Philosophy Politics and Economics but remained passionate about literature music and the music of literature poetry Devoted to study all that my school remembered was that you were the one with the emotional problems But how could I grow and achieve things when there was so much forcing me to give it all up I feel I was being kept by some in a dark place where I would not flower It is not surprising that I was confused by messages of high achievement and social expectations of loyalty and support for the less fortunate These conflicts would not go away Love of the written word led me into English teaching but my personality problems I presume meant that my career never really took off Two lovely sons divorce full time teaching I was exhausted and sectioned in 2000 They diagnosed schizophrenia I was homeless The rest of my story is in the poems

Laist,2017-03-29 The fascinating story of North Atlantic right whales from their evolutionary origin through a thousand year history of relentless pursuit by whalers to ongoing efforts to rescue them from the brink of extinction In the cold waters of the unforgiving North Atlantic Ocean some of the heartiest humans of medieval days ventured out in search of whales Through the centuries people on both sides of the Atlantic became increasingly dependent on whale oil and other cetacean products To meet this growing demand whaling became ever more sophisticated and intense leading to the collapse of what was once a seemingly inexhaustible supply of large cetaceans Central to the whale s subsequent struggle for existence has been one species the North Atlantic right whale Conservationist David W Laist now provides the first complete history of the North Atlantic right whale from its earliest encounters with humans to its close brush with extinction to its currently precarious yet hopeful status as a conservation icon Favored by whalers because of their high yields of oil and superior baleen these giants became known as the right whale to hunt and their numbers dwindled to a mere 100 individuals worldwide Their dire status encouraged the adoption of a ban on hunting and a treaty that formed the International Whaling Commission Recovery of the species however has proven elusive Ship strikes and entanglement in commercial fishing gear have hampered herculean efforts to restore the population Today only about 500 right whales live along the US and Canadian Atlantic coasts an improvement from the early twentieth century but still a far cry from the thousands that once graced Atlantic waters Laist s masterpiece features an incredible collection of photographs and artwork that give life to the fascinating history that unfolds in its pages The result is a single volume that offers a comprehensive understanding of North Atlantic right whales the role they played in the many cultures that hunted them and our modern attempts to help them recover **Acting Up** Dave Hopwood,2001-09-21 This drama resource has been especially written for performance by or for children in family services school assemblies or as street theatre The sketches are easy to perform and great to watch As well as traditional sketches there are raps narrated mimes response stories and entertaining monologues Second edition *The Friend* ,1850 **The Deserted Ship** George Cupples,1873
