Running a Thousand Miles for Freedom (EasyRead Super Large 18pt Edition) William Craft, 1969 *Running a Thousand Miles for Freedom Or, The Escape of William and Ellen Craft from Slavery* Ellen Craft, William Craft, 1996

Running a Thousand Miles for Freedom William Craft, 1999-01-01 Husband and wife William and Ellen Craft's break from slavery in 1848 was perhaps the most extraordinary in American history. Numerous newspaper reports in the United States and abroad told of how the two fair-skinned Ellen disguised as a white slave master and William posing as her servant negotiated heart-pounding brushes with discovery while fleeing Macon, Georgia, for Philadelphia and eventually Boston. No account though conveyed the ingenuity, daring, good fortune, and love that characterized their flight for freedom better than the couple's own version published in 1860, a remarkable authorial accomplishment only twelve years beyond illiteracy. Now their stirring first-person narrative and Richard Blackett's excellent interpretive pieces are brought together in one volume to tell the complete story of the Crafts. *Running a Thousand Miles for Freedom Or, the Escape of William and Ellen Craft from Slavery* Craft Ellen, 2016-06-21

AUTHOR, 2015-07-19 Excerpt from *Running a Thousand Miles for Freedom Or the Escape of William and Ellen Craft From Slavery* But in December 1848 a plan suggested itself that proved quite successful and in eight days after it was first thought of we were free from the horrible trammels of slavery rejoicing and praising God in the glorious sunshine of liberty. My wife's first master was her father and her mother his slave and the latter is still the slave of his widow. Running a Thousand Miles for Freedom William Craft, Ellen Craft, 2013-11 Having heard while in Slavery that God made of one blood all nations of men and also that the American Declaration of Independence says that We hold these truths to be self evident that all men are created equal that they are endowed by their Creator with certain inalienable rights that among these are life liberty and the pursuit of happiness we could not understand by what right we were held as chattels Therefore we felt perfectly justified in undertaking the dangerous and exciting task of running a thousand miles in order to obtain those rights which are so vividly set forth in the Declaration I beg those who would know the particulars of our journey to peruse these pages This book is not intended as a full history of the life of my wife nor of myself but merely as an account of our escape together with other matter which I hope may be the means of creating in some minds a deeper abhorrence of the sinful and abominable practice of enslaving and brutifying our fellow creatures **Running a Thousand Miles for**
