**Racing Against Time** Anthony C. Anjoubault, Antony Anjoubault, 1995      **Race Against Time** Keith Boykin, 2021-09-14

A Cold Civil War has engulfed the nation After a deadly pandemic shocking incidents of police brutality a racial justice crisis and the fall of a dangerous demagogue America remains more divided than at any time in decades At the heart of this national crisis is the fear of a darkening America a country in which there is no longer a predominant white majority As the Republican Party has lost the popular vote in seven of the last eight presidential elections its leaders have incited white Americans in a last ditch race against time to stop the advance of a new multiracial emerging majority Keith Boykin long time political commentator has watched this white resentment consume the GOP over the course of a life in politics activism and journalism He has also observed the divisions among Democrats as white progressives have postponed demands for full racial equity while Black voters have often been too forgiving of party leaders who have failed to deliver America can no longer avoid its long overdue reckoning with the past Boykin argues With the familiarity of personal experience and the acuity of historical insight Boykin urges us to fight racism sexism xenophobia and homophobia and save the union not just by making Black lives matter but by making Black lives equal

Running against the Grain David A. Crockett, 2009-03-01 Some presidents enter office with an uphill climb in front of them their political party represents a different governing philosophy than the dominant strain of the day These David A Crockett says are opposition presidents If they are in a sense out of step with their times how do they ever get elected in the first place In Running against the Grain How Opposition Presidents Win the White House Crockett employs historical comparisons to draw conclusions about what it takes for these candidates to win the office He focuses on seven presidents in twelve elections William Henry Harrison 1840 and Zachary Taylor 1848 Grover Cleveland 1884 and 1892 and Woodrow Wilson 1912 and 1916 Dwight Eisenhower 1952 and 1956 and Richard Nixon 1968 and 1972 and Bill Clinton 1992 and 1996 Crockett draws on the work of Stephen Skowronek and others in the tradition of American political development to establish the periodization for his study Through a comparative analysis of victorious opposition candidates Crockett finds explanations that transcend specific campaigns or even specific eras He contends that because the way one acquires the office may have an effect on the practice of leadership in the office running against the grain has implications far beyond Election Day

drunk captain's lost papers in the Dominican Republic to unwittingly crewing a drug boat out of Turks and Caicos to navigating the outrageous demands of the super rich in New York City Captain Lee's tales from the high seas run the gamut proving time and time again why he's a fan favorite he's occasionally profane he's often surprising but he's never dull and for the first time he's here to tell all *Automotive Industries*, 1907 Vols for 1919 include an Annual statistical issue title varies
