Blackwater Creek Donna R. Brown,2014-03-26 Life in Blackwater Texas has always worked for Ludie Blackwell Small town life means being part of a loving circle of family and friends She overcame the loss of both her parents when she was a small child and has always struggled with self consciousness from her slightly visible birth defect

and her unbearable shyness around those she doesn't know well. She has resigned herself to being unlikely to ever find love but when a fiery blaze brings sophisticated businessman Eric Butler into town and right into her life she finds herself reconsidering the possibilities. Balancing her time between her job as a waitress at the Ladybird Caf and her new job in a candle making shop she finds time to appreciate the blessings in her life. When the delicate balance is upset by the worldly and confident Eric, Ludie discovers that if a relationship seems too good to be true it probably is. A broken heart isn't the only casualty and when she finds her life in danger it takes love and support from some very unexpected sources to bring her through her biggest challenge yet.

Magical Explorer, Vol. 3 (light novel) Iris, 2022-10-18 Still in his first year at Tsukuyomi Magic Academy Kousuke Takioto continues his freewheeling routine of clearing dungeons with the heroines between bouts of training. However his tendency to cut class isn't lost on the other students who now view him as a slacker. Despite this Yukine Mizumori can't help but marvel at how none of this seems to phase our hero. But Kousuke isn't content leaving things there this time he'll settle for nothing less than achieving the fastest dungeon clear time in the Academy.

American Book Publishing Record, 2002 **Ludie's Life** Cynthia Rylant, 2015-04-21 In luminous moments told in lovely language the poems of the Newbery Medal winning author of *Boris* bring a rural woman to vivid life. School Library Journal Cynthia Rylant returns to her home state of West Virginia with this powerful and evocative collection of poems. In a heartbreaking narrative that flows like a novel we follow Ludie from childhood to falling in love and getting married through the birth of her own children and on into old age. This is the story of one woman's experiences in a hardscrabble coal mining town a story that brims with universal themes about life love and family and all of the joy laughter heartache and loss that accompany them. Would she tell you that six children were too many that some disappointed others surprised but that all in all six were too many and one would have been just fine. Would she tell you that she married that boy at fifteen not only because he was tall and kind but also because she needed a way out. A brilliant contribution to the growing collection of Appalachian literature that tells the story as honestly and purely as life in the mountains has always been and always will be. Teenreads A collection of Zen like moments of self discovery and serenity. A powerful read for young and old alike. Kirkus Reviews
