Running Mate A Novel:

The Running Mate Joe Klein, 2000-05-06 Hailed as astonishingly powerful by The New York Times and written perfectly by The Washington Post Joe Klein's 1 bestseller *Primary Colors* was the most talked about political novel of the past century. Now acclaimed journalist and author Joe Klein returns with another brilliant and slyly subversive novel set in the gladiatorial arena he knows so well: politics in modern day America. U.S. senator Charlie Martin is a hot political property: dashing, honorable, irreverent, and a decorated Vietnam veteran. *The Running Mate* follows this brash hero on a wild exhilarating ride through the minefields of politics as usual. But as Charlie quickly learns, combat is a cakewalk compared with the battles waged by free men in pursuit of glory and power. For Charlie's political star is beginning to wane: a bid for the presidency ends in failure; a young campaign volunteer's father decks him in front of the cameras; a well-kept secret from Charlie's Vietnam days is revealed; and a woman has entered his life, one who loves him but is appalled by his life's work. Suddenly Charlie must confront the two greatest challenges of his life: a political opponent who has no scruples and a dazzling unconventional woman who may force him to choose between love and politics. Charlie's dilemma is one that has come to haunt contemporary American politics: Is it possible to be a good politician and a good man? *The New Blue Media*

Theodore Hamm, 2016-01-12 A look at the journalists and satirists who've helped transform the political landscape in the twenty-first century. *The New Blue Media* traces the rise during the Bush years of new media stars: the news-saturated satire of *The Onion*, *The Daily Show*, and *The Colbert Report*; the polemical assaults of Michael Moore and *Air America*; and the instant messaging politics of *MoveOn*, *Daily Kos*, and the *netroots*. With the exception of *Air America*, all of these new media outlets have found commercial success, marking, says Hamm, a new era in liberal politics. Does this new media matter? In 2004 both Michael Moore and *MoveOn* became major players; more recently the influence of the *netroots* has sparked upheaval and debate within the Democratic Party. *The New Blue Media* examines this phenomenon in depth and the reshaping of both the style and the substance of progressivism.

The Complete Novels of Jack London Jack London, 2023-12-29 *The Complete Novels of Jack London* compiles the rich and adventurous narratives that defined the American literary landscape in the early 20th century. Known for its vivid portrayal of nature and the human spirit, the collection features classics such as *The Call of the Wild* and *Martin Eden*, showcasing London's hallmark realist style interwoven with elements of naturalism and socialism. The writing is marked by a vigorous prose that captures the raw and often brutal struggles between man and the natural world, encapsulating the zeitgeist of an era grappling with modernity and existentialism. Jack London, an emblematic figure of the American literary canon, drew from his own tumultuous experiences, including his years as a gold prospector in the Yukon and his commitment to social justice, to enrich his narratives with authenticity and depth. His encounters with nature's indifference and the struggles of the working class deeply influenced his storytelling, allowing him to explore themes of survival, individualism, and the instinctual drives within humanity. For readers seeking a profound

exploration of life's elemental challenges and triumphs *The Complete Novels of Jack London* is not merely a collection of stories but a journey into the complexities of human nature and society. This anthology serves as an essential resource for understanding the breadth of London's vision and the enduring legacy of his contributions to literature. **No Way to Pick A President** Jules Witcover, 2014-04-23 As the United States marks its first presidential election of a new century Witcover shows us how professional mercenaries with little party loyalty and diminished political principles driven by an insatiable need for money are poisoning public life.
