The Problem of Beauty Mark Halperin, 2020-03-23 The intense piety of late Tang essays on Buddhism by literati has helped earn the Tang its title of the golden age of Chinese Buddhism In contrast the Sung is often seen as an age in which the literati distanced themselves from Buddhism This study of Sung devotional texts shows however that many literati participated in intra Buddhist debates Others were drawn to Buddhism because of its power which found expression and reinforcement in its ties with the state For some monasteries were extravagant houses of worship that reflected the corruption of the age for others the sacrifice and industry demanded by such projects were exemplars worthy of emulation Finally Buddhist temples could evoke highly personal feelings of filial piety and nostalgia This book demonstrates that representations of Buddhism by lay people underwent a major change during the Tang Sung transition These changes built on basic transformations within the Buddhist and classicist traditions and sometimes resulted in the use of Buddhism and Buddhist temples as frames of reference to evaluate aspects of lay society Buddhism far from being pushed to the margins of Chinese culture became even more a part of everyday elite Chinese life

Undersong Kathleen Winter,2021-08-17 A stunning spellbinding poetic triumph Toronto Star From Giller shortlisted author Kathleen Winter author of the bestseller Annabel A stunning novel reimagining the lost years of misunderstood Romantic Era genius Dorothy Wordsworth When young James Dixon a local jack of all trades recently returned from the Battle of Waterloo meets Dorothy Wordsworth he quickly realizes he s never met another woman anything like her In her early thirties Dorothy has already lived a wildly unconventional life And as her famous brother William Wordsworth s confidante and creative collaborator considered by some in their circle to be the secret to his success as a poet she has carved a seemingly idyllic existence for herself alongside William and his wife in England s Lake District One day Dixon is approached by William to do some handiwork around the Wordsworth estate Soon he takes on more and more chores and quickly understands that his real unspoken responsibility is to keep an eye on Dorothy who is growing frail and melancholic The unlikely pair of misfits form a sympathetic bond despite the troubling chasm in social class between them and soon Dixon is the quiet witness to everyday life in Dorothy s family and glittering social circle which includes literary legends Samuel Coleridge Thomas de Quincy William Blake and Charles and Mary Lamb Through the fictional James Dixon a gentle but troubled soul more attuned to the wonders of the garden he faithfully tends than to vexing worldly matters we step inside the Wordsworth family witnessing their dramatic emotional and artistic struggles hidden traumas private betrayals and triumphs At the same time Winter slowly weaves a darker complex undersong through the novel one as earthy and elemental as flower and tree gradually revealing the pattern of Dorothy s rich hidden life that of a woman determined against all odds to exist on her own terms But the unsettling effects of Dorothy s tragically repressed brilliance take their toll and when at last her true voice sings out it is so searing and bright that Dixon must make an impossible choice

Verses of a Saddle Tramp Gene Skaug,2019-09-03 Rarely do we have the good fortune to meet an individual who has directed their life along a path that has satisfied their inner desires rather than submitting to a stereotyped mold formed by society Gene Skaug is such a person Whether running a string of pack animals training a cow horse cutting a steer from the herd or just shoeing his own horse Gene is doing what he wants to do At the end of the working day he has the satisfaction of knowing he has

accomplished a professional job A life lived so close to nature yields knowledge few of us ever obtain As the sailor knows the sea The vaquero knows the land and the animals that inhabit it The following collection was penned during the lonely evenings at a line camp in Western Nevada The thoughts are those of a buckaroo There is pathos as well as humor in these poems they are statements about life with which we can all identify Let us hope that Gene Skaug will continue to commit his thoughts to paper as he has done so well on this occasion Carl L Sauls MD
