Running To The Mountain A Journey Of Faith And Change:

Running to the Mountain Jon Katz, 1999 Journalist and author Jon Katz redefines his life *Theology as Autobiography* Colby Dickinson, 2020-03-17 Autobiographical writings on faith frequently come from the lives of ordinary persons whose struggles with faith are often lived at the margins of the church academy and society Yet these voices have the potential to reshape the ways in which each of these fields function To find out what it means to stand before God with all of one s humanity on display is to engage in not only the act of confession but to demonstrate a bold theological reflection that needs to be more explicitly understood By turning to spiritual autobiographies as theological source texts we learn to place our emphasis where it matters most on the people whose lives of faith move us deeply and cause us to re examine our own lives in light of their witness Moving through a range of ancient early modern and contemporary spiritual writers in order to demonstrate a profound connection that unites them all this book portrays how a critical self examination of one s most personal internal fractures our poverty as it were is the only way to develop a life of faith the dual meaning of the word confession which expresses both a revealing of one s sins or brokenness and the articulation of what one believes The Marriage Sabbatical Cheryl Jarvis, 2002-01-08 Now in paperback the uplifting inspirational book that is an open invitation to married women everywhere to go off on their own follow their dreams and desires and come back to happier healthier relationships From Harriet Beecher Stowe to Ann Morrow Lindbergh women have been taking marriage sabbaticals for centuries to explore their sense of self What is a marriage sabbatical It is simply a time away from your daily routines to nurture your own creative intellectual or spiritual strengths In this personal yet practical book Cheryl Jarvis chronicles the story of her own marriage sabbatical a three month stay at writers colonies and the experiences of 55 other women who took time and space away Through these reflective and empowering ventures the author illuminates the issues involved the logistics the finances the fears Whether it s hiking the Appalachian Trail holing up in a cabin to paint or taking a class in another city a marriage sabbatical can bring new life and understanding to a longterm partnership O2 Richard Dahlstrom, 2008 Invites readers to embrace fresh perspectives on prayer the Word solitude and creation and continue to sustain their spirituality through hospitality generosity service and obedience to Christ **Yearning for More** Barry Morrow, 2012-11-21 In this mannered tour through literature sports film and daily life Barry Morrow leads us to contemplate the nature and purpose of human longing Using Ecclesiastes as a map for the journey Morrow gives us a vision of our disenchantment under the sun and suggests that human culture gives evidence of another reality for which God created us **Elle** , 1999 *A Journey of Faith: Moving from the Middle East to the West* Dr. Safwat Bishara, 2011-06-20 First it describes the life of a mainstream Christian family living in Egypt The agony involved for the head of the family the author to make the decision of taking his wife and three young daughters from the safety of living among family and friends that provided a hedge against the unknown and uncertainty of moving to another country and a new culture It describes how

Divine intervention tilted the balance in favor going ahead with the decision to move to America The book entails several circumstances that clearly manifested God s desire for us to leave the country in which we had lived most of our lives Second the book describes how the basically Islamic Arabic culture of the Middle East compares with the essentially Christian culture of the United States It deals with the subtle underlying teachings of Islam that affect social and spiritual lives of people living in Muslim majority societies The book describes how deeply ingrained ideas can enhance or prohibit advancement of society

My Journey Of Faith Charles Mutua Mulli,2016-03-16 At six years old Charles Mulli woke up one morning to find he had been completely abandoned by both parents All alone he fell into a life of abject poverty forcing Mulli to wander from hut to hut begging for food for his very survival unable even to attend school As a teenager Mulli started a small taxi company which grew to be very successful Eventually he expanded his business ventures to include real estate insurance and oil and gas distribution becoming a highly successful businessman But despite all his success the growing struggle in his heart over the plight of thousands of Kenyan street children remained strong until one day he surrendered to the call of God on his life to sell everything he owned and begin rescuing street children from the slums of Kenya His story is told here in My Journey of Faith from his own perspective describing his incredible life of faith that is filled with love miracles and powerful answers to prayer and demonstrates persuasively how a close walk with God is accessible to all of us even today The reader will experience the amazing true stories of tragedy turned triumph where hopeless cases encounter the work of Charles Mulli s and discover a new life they could not have imagined
