At first his comrades look at Alfa's deeds with admiration but soon rumors begin to circulate that this super soldier isn't a hero but a sorcerer, a soul eater. Plans are hatched to get Alfa away from the front and to separate him from his growing collection of hands but how does one reason with a demon and how far will Alfa go to make amends to his dead friend? Peppered with bullets and black magic, this remarkable novel fills in a forgotten chapter in the history of World War I. Blending oral storytelling traditions with the gritty day to day journalistic horror of life in the trenches, David Diop's *At Night All Blood is Black* is a dazzling tale of a man's descent into madness.

The second action packed installment of the Traveler saga based on Blizzard's epic World of Warcraft franchise. Includes twenty stunning illustrations. Twelve year old Aramar Thorne's life was turned upside down by the sudden reappearance of his father Captain Greydon Thorne who took his son with him on the high seas. After several months aboard Greydon's ship it was attacked by a deadly band of raiders known as the Hidden, leaving Aram and Second Mate Makasa Flintwill shipwrecked. But of even greater concern are the unanswered questions his father left behind. Who are the Hidden? And what of the strange compass Greydon gave to him, the compass that doesn't point north? Aram and Makasa are on a journey to unravel these mysteries, picking up a few friends and more than a few foes on their travels. Aram, a once struggling student in the ways of the world, is now looked to for guidance by his friends as they combat swarms of undead and come face to face with the trolls, mysterious gods. Can Aram be the leader his father always believed he could be? Includes 17 all new illustrations.

Drown Deep Phil Williams, 2024-10-22

Where armies won't go, the Blood Scouts must. Wild Wish has reluctantly left the front line behind. No more fighting. No more friends. But she's about to get an invitation to a fight no one else dares touch. There's trouble in the Saints Mire, a strictly neutral land with deep religious history. Here the secrets of the Prophets are preserved by the foreboding Ten Pories, isolated for centuries, steeped in myth and now under attack. A rogue Drail army of veterans, criminals, and goblins has invaded, and a reckless company of Comity partisans are itching to stop them. The top brass wants nothing to do with it, so it's up to Wild Wish and her new band of ragged misfits to keep things from escalating. She must brave the heart of a nightmare land harbouring great hidden power and even greater hidden threats. Secrets millennia in the making may be exposed with the potential to change the very shape of the war. But if Wish can find an opportunity to rebuild the Blood Scouts, maybe it'll be worth it. *Drown Deep* is a breakneck return to the Rocc and its epic global war. Get ready for more heart pumping action and enthralling characters from this unforgettably unsettling world.
