**Rural Economy of the West of England (1796)** Mr. Marshall (William),1796      **Marshall's Rural Economy of the West of England (1796)** William Humphrey Marshall,1970      **Marshall's Rural Economy of the West of England (1796)** Mr. Marshall,1970      **Topographical Writers in South-West England** Mark Brayshay,1996 A collection of essays concerned with topographical writers who published work on the west country between c 1600 and 1900 It provides an assessment of some famous writers such as Leland a guide to the sources for the west Country and an analysis of the development of the genre      **England in the Nineteenth Century: 1801-1805** Alan Frederick Fremantle,1929      **The Development of Transportation in Modern England** William T. Jackman,1916      **England in the Nineteenth Century Volume 1** A. F. Fremantle,2024-11-01 Originally published in 1929 this volume discusses the early effects of the industrial revolution the condition of the cotton spinners the hardships for labouring children the overcrowded prisons and other brutal punishments At this time the principal branch of local government was the Poor Law and this book discusses how in the monumental task of providing workhouses for the destitute the England of the eighteenth century had completely failed As well as social history the book also covers military and political history      **A Catalogue of the Library of the London Institution: The general library** London Institution. Library,William Upcott,1835      **Trade and Banking in Early Modern England** Eric Kerridge,1988      **1801-1805** Alan Frederick Fremantle,1929      **Women, Work And Sexual Politics In Eighteenth-Century England** Bridget Hill,2005-08-04 The author offers a reassessment of how women s experience of work in 18th century England was affected by industrialization and other elements of economic social and technological change This study focuses on the household the most important unit of production in the 18th century Hill examines the work done by the women of the household not only in housework but also in agriculture and manufacturing and explains what women lost as the household s independence as a unit of economic production was undermined Considering the whole range of activities in which women were involved including many occupations unrecorded in censuses which have therefore been largely ignored by historians Hill charts the increasing sexual division of labour and highlights its implications She also discusses the role of service in husbandry and apprenticeship as sources of training for women and the consequences of their decline The final part of the book considers how the changing nature of women s work influenced courtship marriage and relations between the sexes Among the topics discussed are the importance of the women s contribution to setting up and maintaining a household labouring women s attitudes to marriage and divorce and the customary alternatives to them and the role of spinsters and widows The author concludes by asking to what extent the industrial revolution improved the overall position of women and the opportunities open to them This series aims to re establish women s history and to challenge the assumptions of much mainstream history Focusing on the modern period and encouraging perspectives from other disciplines it seeks to concentrate upon areas of focal importance in the history of Britain and continental Europe Bridget Hill

is the author of *Eighteenth Century Women An Anthology* and *The First English Feminist* **The English Dairy Farmer** G. E. Fussell, 2019-12-09 Originally published in 1966 this work by G E Fussell is a thorough examination of the role played by the English dairy farmer over the past four hundred years Beginning his study with the cow he gives an account of the improved breeding and feeding methods that make today's cow a totally different beast to that of the Tudor farmer A chapter is devoted to the cultivation of fodder crops and another to the comfort of the cow for as the author states pleasant conditions are an important factor in encouraging its productivity The dairy industry no less than any other in the nineteenth century was the scene of numerous devices and inventions designed to improve milking methods This together with the development of the sale of milk in a liquid form is discussed in later chapters The practical difficulties of transporting milk had until about 1850 caused the major part of the milk produced to be turned into butter and cheese and the varying products of differing regions are fully described Towards the end of the nineteenth century however the number of dairies prepared to retail milk grew in number to accommodate an ever increasing rate of milk consumption Numerous farming textbooks published during the period and contemporary descriptions of the farming scene form the background for this scholarly appraisal No other book has treated the English dairy farmer in such detail and in drawing upon such a wealth of illustrative material to support his conclusions G E Fussell has produced a work which will be valued by all agricultural historians **Textile traditions of eastern Newfoundland** Gerald L. Pocius, 1979-01-01 A description of the once communal and now individual activity of textile production in eastern Newfoundland including dyeing techniques fancywork and the creation of mittens socks sweaters mats and quilts The author identifies an emphasis on the quality of the product rather than strict adherence to stylistic norms and suggests that higher household incomes and the increased availability of commercial textiles have led to fewer individuals practicing this art Published in English **An historical sketch of the provincial dialects of England** James Orchard Halliwell- Phillipps, 1847 Servants in Husbandry in Early Modern England Ann Kussmaul, 1981-11-12 This book explores servants in husbandry and considers the wider historiographical implications Packhorse, Waggon and Post J. Crofts, 2013-02-01 Published in the year 2006 Packhorse Waggon and Post is a valuable contribution to the field of Major Works **An Encyclopaedia of Agriculture** John Claudius Loudon, 1869 *An Encyclopædia of Agriculture* John Claudius Loudon, 1871 A Catalogue of a Curious, Scarce, and Useful Collection of Books, Containing Upwards of Fifty Thousand Volumes. To which is Added a Select Collection of Prints. ... the Whole Will Begin to be Sold, on Thursday the 31st of July, 1800, ... by John Todd, ... in Stonegate, York, ... John Todd, 1800 *Farming to Halves* E. Griffiths, M. Overton, 2009-07-07 Farming to halves is the English version of sharefarming a system of letting land familiar in Europe and the New World but thought to never have existed in England This book reveals its hidden history in England overturning traditional accounts of the relationship between landlords and tenants in the course of English Agrarian development
