## **Rural Evangelism Catching The Vision:**

Rural Evangelism Kevin E. Ruffcorn, 1994 Aware that pastors and church members need a new vision for evangelism in small towns and rural areas Ruffcorn presents lively suggestions and new understandings gleaned from his workshops on rural evangelism and his own experience He emphasizes the need for congregations to dwell on both the inward and outward aspects of nurturing their own members and reaching out to neighbors *Liberating Evangelism* Stephen K.

Pickard, 1999-06-01 Has the church abdicated its responsibility for and privilege of spreading the gospel Has this baptismal birthright been forgotten or denied out of ignorance poor example or even misinformation Stephen Pickard argues that the church is called to be a community of the evangel and thus a community that seeks to embody the glad tidings of God in all of its life He addresses two issues the relationship of evangelism to systematic theology and the relationship of evangelism to the church In the case of the former he calls for a recovery of the complementary nature of theology and evangelism the theory and practice of the gospel discussing what this might involve and how it may benefit the church's evangelistic task This evangelistic task is then developed further in terms of the dynamics of communication Regarding evangelism and its relation to the church Pickard contends that the locus for evangelism has to be the Christian community its life of worship and discipleship in the world But the church must be reconceived missiologically in terms of the Great Commission and as a community for the praise of God Invitation to Evangelism Timothy K. Beougher, 2021-08-24 Essential guidance for a

lifestyle of sharing God's good news with a lost world What exactly does it mean to evangelize in a Christian sense And how is such evangelizing supposed to be done Longtime pastor evangelist and professor of evangelism Timothy K Beougher answers these questions and more from theological historical and practical perspectives Beougher demonstrates God's goodness in evangelism through relatable anecdotes Bible teaching and encouraging instruction Invitation to Evangelism welcomes believers into the experience of stepping out in faith of behalf of people God loves Most Christians know that they should be sharing the good news of Jesus Christ with nonbelievers and most also know they aren't witnessing very well or even at all They need help internalizing the content of gospel proclamation and identifying the best way to go about making evangelism a natural part of their lives Invitation to Evangelism guides readers through the essential issues of the gospel message evangelism methods and witnessing models so they are ready and excited to move out in faith as everyday evangelists Beougher's biblical theological historical and practical teaching revolves around following essential aspects of being an evangelist Having compassion as the motivation for evangelism Understanding the good news of Jesus Christ Seeing lost people as persons God loves Relying on the power of the Holy Spirit Paving the way for new believers to share their faith eagerly with others **Three Spheres of Evangelism: Worship, Discipleship, and Mission** Scott Stewart, 2013 **The**

**Evangelistic Love of God & Neighbor** Bishop Scott J. Jones, 2010-08-01 There are it seems as many definitions of the term evangelism as there are people doing the defining For some it means proclaiming the gospel to those who have not heard it

To others it means making disciples of Jesus Christ To others it means working for the transformation of the world into the kingdom of God For still others it has principally to do with building vibrant healthy congregations Underlying this confusion is a fundamental inability to locate the practice of evangelism within one's overall theological convictions We will never understand the part that proclamation disciple making kingdom building and church growth play in evangelism until we first ask a more important question What does evangelism have to do with who God is What is it we know about God that makes evangelism a central part of what it means to be Christian In this comprehensive theology of evangelism Scott J Jones proposes to ground the practice of evangelism in an understanding of God's love for the world specifically as seen in the incarnation of God in Christ In Jesus God took on all of what it means to be human Because of this evangelism must be a ministry to the whole person The typical distinctions between soul winning social action and church growth evaporate individual conversion and acts of mercy are part of the same ministry of bringing persons more fully into the reign of a loving God *Shepherding the Small Church* Glenn Daman, 2002 An indispensable source of advice and encouragement for the small church pastor including how to formulate a mission while understanding the cultures of the community and the church
