John Ruskin

Ruskin And Italy:

Ruskin in Italy: Letters to His Parents, 1845 John Ruskin, 1972 The letters Ruskin wrote home almost daily during his Italian tour of 1845 are here fully published for the first time The tour had an immediate effect on the first two volumes of *Modern Painters* and marks the beginning of Ruskin's lifelong concern with Italian painting and with Italian Romanesque and Gothic architecture The letters record the influences on him his changing views and feelings and are therefore an essential document for the understanding of his development as a critic They also contribute a good deal of evidence toward the understanding of his enormously important relationship with his ageing parents Not least important the letters taken altogether make a delightful travel book for they were written not only to inform but to entertain Jacket

Ruskin and Italy Alexander Bradley, 1987 *Ruskin and Italy* Lesley John Alexander Bradley, 1992 **Ruskin in Italy** John Ruskin, 1972 **Building Ruskin's Italy** Stephen Kite, 2017-07-05 Based on extensive fieldwork and research into John Ruskin's still little interpreted archival material notebooks and drawings in the Ruskin Library Lancaster University UK and elsewhere Stephen Kite offers an unprecedented account of the evolution of Ruskin's architectural thinking and observation in the context of Italy where his watching of building achieved its greatest intensity Venice naturally figures large in a work that also examines other key sites including Verona Lucca Pisa Florence Milan and Monza here the fabrics are vividly read in their contexts against the rich evidence of Ruskin's diaries his pocket book sketches architectural worksheets drawings and daguerrotypes the early form of photography and the drafts and published editions of the texts Kite presents the complex story of Ruskin's visual thinking in architecture as a narrative of deepening interpretation and representation focusing on the humbler monuments of Italy He shows how Ruskin's early picturesque naturalism was transformed by the realisation that to understand the built realities confronting him in Italy demanded a closer engagement with the substance of the stones themselves reflecting Ruskin's sense of his task as a near archaeological gleaning and gathering of remains hidden in many a grass grown court and silent pathway and lightless canal *Ruskin in Italy: letters to his parents 1845*, ed John Ruskin, Harold I. Shapiro, **The Venice Myth** David Barnes, 2015-10-06 Venice holds a unique place in literary and cultural history Barnes looks at the themes of war occupation resistance and fascism to see how the political background has affected the literary works that have come out of this great city He focuses on key British and American writers including Byron Ruskin Pound and Eliot **The Influence of Pre-Raphaelitism on Fin de Siècle Italy** Giuliana Pieri, 2007 This volume is the first comprehensive study of the influence of English Pre-Raphaelitism on Italian art and culture in the late nineteenth century Analysis of the cultural relations between Italy and Britain has focused traditionally on the special place that Italy had in the British imagination but the cultural and artistic exchanges between the two countries have been much misunderstood This book aims to correct this imbalance by placing Pre-Raphaelitism in its European context It explores the nature of its influence on Italy how it was transmitted and how it was manifested by focusing on the role of Italian

Anglophiles the English communities in Florence and Rome the writings of Gabriele D Annunzio and a number of Italian artists active in Tuscany and Rome The works of Cellini Ricci Gioja De Carolis and Sartorio in particular fully demonstrate the impact of Pre Raphaelitism on the young Italian school of painting which found in the English movement an ideal link with its glorious past on which it could build a new artistic identity These artists show that English Pre Raphaelitism was one of the most powerful single influences on fin de siecle Italian culture **Ruskin and Italy** Leslie J. Bradley,1986 John Ruskin's Politics and Natural Law Graham A. MacDonald,2018-02-14 This book offers new perspectives on the origins and development of John Ruskin s political thought Graham A MacDonald traces the influence of late medieval and pre Enlightenment thought in Ruskin s writing reintroducing readers to Ruskin s politics as shaped through his engagement with concepts of natural law legal rights labour and welfare organization From Ruskin s youthful studies of geology and chemistry to his back to the land project the Guild of St George he emerges as a complex political thinker a reformer and what we would recognize today as an environmentalist John Ruskin s Politics and Natural Law is a nuanced reappraisal of neglected areas of Ruskin s thought *The Arnoldian* ,1991 *Nineteenth Century Prose* ,1991 Desire and Excess Jonah Siegel,2021-05-11 In this fascinating look at the creative power of institutions Jonah Siegel explores the rise of the modern idea of the artist in the nineteenth century a period that also witnessed the emergence of the museum and the professional critic Treating these developments as interrelated he analyzes both visual material and literary texts to portray a culture in which art came to be thought of in powerful new ways Ultimately Siegel shows that artistic controversies commonly associated with the self consciously radical movements of modernism and postmodernism have their roots in a dynamic era unfairly characterized as staid self satisfied and stable The nineteenth century has been called the Age of the Museum and yet critics art theorists and poets during this period grappled with the question of whether the proliferation of museums might lead to the death of Art itself Did the assembly and display of works of art help the viewer to understand them or did it numb the senses How was the contemporary artist to respond to the vast storehouses of art from disparate nations and periods that came to proliferate in this era Siegel presents a lively discussion of the shock experienced by neoclassical artists troubled by remains of antiquity that were trivial or even obscene as well as the anxious aesthetic reveries of nineteenth century art lovers overwhelmed by the quantity of objects quickly crowding museums and exhibition halls In so doing he illuminates the fruitful crises provoked when the longing for admired art is suddenly satisfied Drawing upon neoclassical art and theory biographies of early nineteenth century writers including Keats and Scott and the writings of art critics such as Hazlitt Ruskin and Wilde this book reproduces a cultural matrix that brings to life the artistic passions and anxieties of an entire era Britain and Italy from Romanticism to Modernism Martin McLaughlin,2017-12-02 In this volume a team of experts in various fields considers the impact of Italian politics and culture on British life from the early nineteenth century to the first decades of the twentieth century The essays cover a wide range of topics politics music the visual arts literature

and the intellectual life as well as the emergence of Italian as an academic discipline Edited with an introduction by Martin McLaughlin the volume includes essays by Ian Campbell Hilary Fraser T G Griffith David Kimbell John Lindon Denis Mack Smith Brian Moloney and J R Woodhouse as well as the last article written by the late Serena Professor of Italian at Cambridge Uberto Limentani

Briefe, engl. Ruskin in Italy John Ruskin, Harold J. Shapiro, 1972

Roman Holidays Robert K. Martin, Leland S. Person, 2005-04-01 Featuring essays by twelve prominent American literature scholars Roman Holiday explores the tradition of American travel to Italy and makes a significant contribution to the understanding of nineteenth century American encounters with Italian culture and more specifically with Rome The increase in American travel to Italy during the nineteenth century was partly a product of improved conditions of travel As suggested in the title Italy served nineteenth century writers and artists as a kind of laboratory site for encountering Others and other kinds of experience No doubt Italy offered a place of holiday a momentary escape from the familiar but the journey to Rome a place urging upon the visitor a new and more complex sense of history also forced a reexamination of oneself and one's identity Writers and artists found their religious political and sexual assumptions challenged Nathaniel Hawthorne's *The Marble Faun* has a prominent place in this collection as Henry James commented in his study of Hawthorne the book was part of the intellectual equipment of the Anglo Saxon visitor to Rome The essayists also examine works by James Fuller Melville Douglass Howells and other writers as well as such sculptors as Hiram Powers William Wetmore Story and Harriet Hosmer Bringing contemporary concerns

about gender race and class to bear upon nineteenth century texts Roman Holidays is an especially timely contribution to nineteenth century American studies Readings from Ruskin John Ruskin,1889 **Edinburgh Companion to Fin de Siecle Literature, Culture and the Arts** Josephine M. Guy,2017-10-23 The late nineteenth century fin de si cle has proved an enduringly fascinating moment in literary and cultural history It is associated with the emergence of intriguing figures such as the new woman and uranian with contradictory impulses of decadence and decay on the one hand and of experiment and renewal on the other as well as with unprecedented intercultural exchange especially between Britain and France The 22 newly commissioned essays collected here re examine some of the key concepts taken to define the fin de si cle while also introducing hitherto overlooked cultural phenomena into the frame such as the importance of humanitarianism The impact of recent research in material culture is explored particularly how the history of the book and the history of performance culture is changing our understanding of this period A wide range of cultural activities is discussed from participation in avant garde theatre to interior decoration and from the writing of poetry to political and religious activism Together the essays provide new scholarly insights into British fin de si cle and enrich our understanding of this complex period while paying particular attention to the importance of regionalism Continental Tourism, Travel Writing, and the Consumption of Culture, 1814-1900 Benjamin Colbert,Lucy Morrison,2020-08-25 This book explores the boundaries of British continental travel and tourism in the nineteenth century stretching from Norway to Bulgaria from visitors albums to missionary efforts from juvenilia to joint authorship The essay topics invoke new aesthetics of travel as consumption travel as satire and of the developing culture of tourism Chronologically arranged the book charts the growth and permutations of this new consumerist ideology of travel driven by the desires of both men and women the insatiable appetite for new accounts of old routes as well as appropriation of the new interart reproductions of description and illustration and wider cultural manifestations of tourism within popular entertainment and domestic settings Continental tourism provides multiple perspectives with wide ranging coverage of cultural phenomena increasingly incorporated into and affected by the nineteenth century continental tour The essays suggest the coextension of travel alongside experiential boundaries and reveal the emergence of a consumerist attitude toward travel that persists in the present day
