The Jinx Ship Howard Pease, 1927 **Flying Adventurers** David K. Vaughan, 2023-05-24 Aviation books were a unique and prolific subgenre of American juvenile literature from the early to mid 20th century drawing upon the nation's intensifying interest. The first books of this type Harry L. Saylor's series *Airship Boys* appeared shortly after the Wright brothers' first successful flight in 1909. Following Charles Lindbergh's solo flight across the Atlantic popular series like Ted Scott and Andy Lane established the golden age of juvenile aviation literature. This work examines the 375 juvenile aviation series titles published between 1909 and 1964. It weaves together several thematic threads including the placement of aviation narratives within the context of major historical events, the technical accuracy in depictions of flying machines, and the ways in which characters reflected the culture of their eras. Three appendices provide publication data for each series, a list of referenced aircraft, and an annotated bibliography; there is a full index. **When Granny was a Little Girl** Annie Eliza Pidgeon Searing, 1926 Visualizing Orientalness Björn A. Schmidt, 2017 In the early twentieth century Hollywood was fascinated by the Far East. Chinese immigrants, however, were excluded since 1882, and racism pervaded U.S. society. When motion pictures became the most popular form of entertainment, immigration and race were heavily debated topics. *Visualizing Orientalness* is the first book that analyses the significance of motion pictures within these discourses. Taking up approaches from the fields of visual culture studies and visual history, Björn A. Schmidt undertakes a visual discourse analysis of films from the 1910s to the 1930s. The author shows how the visuality of films and the historical discourses and practices that surrounded them portrayed Chinese immigration and contributed to notions of Chinese Americans as a foreign and other race. The United States Catalog, 1928 **The Horn Book Magazine**, 1928 **Realms of Gold in Children's Books** Bertha E. Mahony Miller, 1929 **The United States Catalog** Ida M. Lynn, 1928 *Annual Reports of the Officers and Committees of the Town of Lancaster* Lancaster (Mass. : Town), 1923 **St. Nicholas** Mary Mapes Dodge, 1928 **The Bookman**, 1927 **Pioneers, Passionate Ladies, and Private Eyes** Larry E. Sullivan, Lydia C. Schurman, 2013-02-01 Despite efforts of contemporary reformers to curb the availability of dime novels, series books, and paperbacks, *Pioneers, Passionate Ladies, and Private Eyes* reveals how many readers used them as means of resistance and how fictional characters became models for self-empowerment. These literary genres, whose value has long been underestimated, provide fascinating insight into the formation of American popular culture and identity. Through these mass-produced, widely read books, Deadwood Dick, Old Sleuth, and Jessie James became popular heroes that fed the public's imagination for the last western frontier detective tales, and the myth of the outlaw. Women, particularly those who were poor and endured hard lives, used the literature as means of escape from the social, economic, and cultural suppression they experienced in the nineteenth century. In addition to the insight this book provides into texts such as *The Bride of the Tomb*, the Nick Carter Series, and Edward

Stratemeyer's rendition of the Lizzie Borden case readers will find interesting information about the roles of illustrations and covers in consumer culture Bowling Green's endeavor to digitize paperback and pulp magazine covers bibliographical problems in collecting and controlling series books the effects of mass market fiction on young girls Louisa May Alcott's pseudonym and authorship of three dime novels special collections competition among publishers A collection of work presented at a symposium held by the Library of Congress *Pioneers Passionate Ladies and Private Eyes* makes an outstanding contribution to redefining the role of popular fiction in American life
