Russia Discovered Angus Calder,1976 **Russia Discovered : Nineteenth- Century Fiction Rom Pushkin to Chekhov** A. Calder,1976 The Course of Russian History, 5th Edition Melvin C. Wren,Taylor Stults,2009-01-08 Now in its fifth edition this definitive history of the Russian land and people builds on its success as a fascinating survey of two thousand years of struggle to harness vast resources and talents into a powerful and cohesive nation From its beginning as a savage and exotic land Russia underwent a complex evolution of political social and religious forces the barbarism of its internal conflicts in seeming contradiction with its goals to advance in the realms of technology art education and high culture From the conflicts of the fantastically wealthy ruling class to the poor and oppressed masses emerged the Communist party and the enigmatic figures whose charismatic manipulation of political power reflected the myriad rulers before them Finally as the modern world watched this great entity collapsed in a devastatingly brief time millennia of precarious conflict proving too much for the tenuous coalescence of twentieth century politics Written in an engaging and accessible style this text presents students with a comprehensive look at the momentous events and legendary figures which helped shape Russia s turbulent history Three Plays of Maureen Hunter Hunter, Maureen,2003 Book is clean and tight No writing in text Like New *Anton Chekhov* Harold Bloom,Sterling Professor of Humanities Harold Bloom,2009 Presents a collection of critical essays on the works of Anton Chekhov *New Essays on Dostoyevsky* Malcolm V. Jones,Garth M. Terry,1983-03-31 This book comprises essays to mark the centenary of Dostoyevsky s death in 1881 The first part considers specific works and the second part ranges more widely over aspects of the great novelist s work including essays on Dostoyevsky as philosopher on his religious thought and on formalist and structuralist approaches to his work New Essays on Tolstoy Malcolm Jones,2011-03-03 This collection of essays focuses on Tolstoy s writing thinking and translation problems to commemorate his 150th year of his birth Nineteenth-century Literature Criticism Laurie Lanzen Harris,1981 Excerpts from criticism of the works of novelists poets playwrights short story writers and other creative writers who lived between 1800 and 1900 from the first published critical appraisals to current evaluations Tolstoy on the Couch Daniel Rancour-Laferriere,1998-07-08 In his 1889 novella *The Kreutzer Sonata* Lev Tolstoy declared war on human sexuality Having fathered thirteen children by his wife and at least two children by peasant women the great Russian writer now has the arrogance to suggest that people should stop having children Psychoanalysis of Tolstoy s diaries and other private materials reveals that Tolstoy s anti sex position was grounded in a sadistic attitude towards women including his wife Sonia and a punishing masochistic attitude towards himself These feelings in turn were related to the trauma of maternal loss in Tolstoy s early childhood Nineteenth-century Russian Literature in English ,1990 Catalogs items published from the 1890s through 1986 covering both general topics and 69 writers The bibliographies of individual writers are divided into sections on translations and on criticism The translations include collected works other books and publications in anthologies and
