place in the world **Sir William Rooke Creswell and the Foundation of the Australian Navy** Sheila

Dwyer,2014-03-26 The six Australian colonies united on 1st January 1901 to become the Commonwealth of Australia One of the reasons given for this federation was that the Commonwealth could provide a common defence William Rooke Creswell argued that as an island continent Australia could not defend itself without a navy He saw no point in having a 70 000 strong army if only one enemy battleship could destroy port cities and disrupt maritime trade and sea communications Creswell was not alone in his campaign to establish a navy for Australia but he was the one constant advocate throughout the years from his first proposals on a navy for Australia in 1886 to when the first ships of the Australian Fleet sailed into Sydney Harbour in October 1913 **Australians and the First World War** Kate Ariotti,James E. Bennett,2017-08-11 This book contributes to

the global turn in First World War studies by exploring Australians engagements with the conflict across varied boundaries and by situating Australian voices and perspectives within broader more complex contexts This diverse and multifaceted collection includes chapters on the composition and contribution of the Australian Imperial Force the experiences of prisoners of war nurses and Red Cross workers the resonances of overseas events for Australians at home and the cultural legacies of the war through remembrance and representation The local global framework provides a fresh lens through which to view Australian connections with the Great War demonstrating that there is still much to be said about this cataclysmic event in modern history **Chinese in Australian Fiction, 1888-1988** , **Australian National**

John Chen,2013-02-01 The first comprehensive volume on the impact of digital media on Australian politics this book examines the way these technologies shape political communication alter key public and private institutions and serve as the new arena in which discursive and expressive political life is performed Publisher s description **Communism in Australia** Beverley Symons,1994 This bibliography covers the 70 years of existence of the Communist Party in Australia The material listed relates not only to the CPA but to its allied and breakaway movements from 1920 to 1991 Contains over 3400 references and includes a name index *Labour and the politics of Empire* Neville Kirk,2017-02-01 This is a pathbreaking

comparative and trans national study of the neglected influences of nation empire and race upon the development and electoral fortunes of the Labour Party in Britain and the Australian Labor Party from their formative years of the 1900s to the elections of 2010 Based upon extensive primary and secondary source based research in Britain and Australia over several years it makes a new and original contribution to the fields of labour imperial and British world history The book offers the challenging conclusion that the forces of nation empire and race exerted much greater influence upon Labour politics in both countries than suggested by traditionalists and revisionists alike The book will appeal to undergraduates postgraduates scholars in history and politics and all those interested in and concerned with the past present and future of Labour politics in Britain Australia and more generally

Communism Jeff Sparrow, 2007 What I remember most about the communists is their passion For more than seventy years idealists and rebels of all stripes saw in the Communist Party the best hope for a world remade Who were the people who dedicated themselves to that beautiful dream How did they experience its shimmering promise and cope with its shattering collapse This is the story of Guido Baracchi the playboy and dilettante who experienced communism at its best and its very worst His love affair with Marxism took him from his father's astronomical observatory to the rough halls of the legendary Wobblies He debated Bob Menzies at the University of Melbourne he wooed novelist Katharine Susannah Prichard on a luxury ocean liner he belonged to illegal organisations in two world wars The Sun dubbed him Melbourne's Lenin and ASIO classified him a person of bad moral character and violent and unstable political views From Weimar Germany to Stalin's Russia from Melbourne's Pentridge gaol to the bohemian colony of Montsalvat Baracchi entwined political intrigue with a series of tempestuous romances with poets artists and playwrights Yet communism remained his real love and communism broke his heart in a betrayal that still resonates in the political choices available today

Our Unswerving Loyalty David W. Lovell, Kevin Windle, 2008-08-01 The story of the Communist Party of Australia has been told in various ways Until now however archival collections that have borne on this story have been relatively inaccessible to the ordinary interested reader This book begins to redress that deficiency by bringing together 85 key documents from the Russian State Archives of Social and Political History RGASPI selected from a collection of thousands of documents concerning the relations between the Communist International and the Communist Party of Australia The selection focuses on the relationship between the CPA and the Comintern because the activities of the CPA are essentially incomprehensible without understanding the international communist context within which the CPA operated That context was dominated by the newly created Soviet state and its decision to authorize and utilize a network of communist parties throughout the world

Radical Sydney Terence H. Irving, Terry Irving, Rowan J. Cahill, 2010 Sydney a beautiful international city with impressive buildings harbour side walkways public gardens cafes restaurants theatres and hotels This is the way Sydney is represented to its citizens and to the rest of the world But there has always been another Sydney not viewed so fondly by the city's rulers a radical part of Sydney The working class suburbs to the south and west of

Displaced Comrades Ebony Nilsson, 2023-11-02 This book explores the lives of left wing Soviet refugees who fled the Cold War to settle in Australia and uncovers how they adjusted to life under surveillance in the West As Cold War tensions built in the postwar years many of these refugees happily resettled in the West as model refugees proof of capitalist countries superiority But for a few this was not the case Displaced Comrades provides an account of these Cold War misfits those refugees who fled East for West but remained left wing or pro Soviet Drawing on interviews government records and surveillance dossiers from multiple continents this book explores how these refugees ideas took root in new ways As these radical ideas drew suspicion from western intelligence these everyday lives were put under surveillance shadowed by the persistent threat of espionage With unprecedented access to intelligence records Nilsson focuses on how a number of these left wing refugees adjusted to life in Australia opening up a previously invisible segment of postwar migration history and offering a new exploration of life as a Soviet enemy alien in the West

East Central European Migrations During the Cold War Anna Mazurkiewicz, 2019-05-06 An extremely useful and much needed survey Over eleven chapters authors from eight countries cover the complex history of migration from the perspective of Central and Eastern Europe between 1945 and 1993 Following in the footsteps of Klaus Bade s Encyclopedia of European Migrations the authors make extensive use of sources in national languages while providing an extensive overview of population movements in the region between the Baltic Black and Adriatic Seas The individual chapters shed light on phenomena overlooked in other volumes including individual state reactions to various migratory phenomenon and the political economic and ideological consequences of human movement The chapters of this volume are uniform not only in their informative nature but also in suggesting new pathways for in depth research Adam Walaszek Jagiellonian University Krak w Poland Eastern Europe is an emblematic space of mobility and its Cold War history cannot be told without considering migration from and into the countries of the region This volume comes at a timely moment and provides a uniquely comprehensive account full with useful information for further research It will be a must read both for migration studies scholars and for area specialists Ulf Brunnbauer Leibniz Institute for East and Southeast European Studies Regensburg Germany The Handbook is a gift to students of migration on three counts It gathers the expertise of scholars fluent in the languages and familiar with the archives of Eastern and Central Europe Thus it brings the multi layered and complex histories of movement beyond the flat descriptor of Soviet bloc or Eastern European migrations The Handbook is both rich and lucid presenting in depth materials on the European twentieth century on one hand and organizing each chapter in a similar way offering the reader transparently comparable histories

From Estonia south to Albania and from the USSR west to the GDR each chapter elucidates a complex migration history distinguished by national politics ethnic composition and economics moving from the cataclysmic impacts of World War II to the international migrations and politics of Cold War movement as well as the politics of Cold War emigrants themselves Each chapter ends with an epilogue on post 1989 international migrations and a valuable addendum on published and archival sources Finally the Handbook models the kind of high quality work produced by international scholarly cooperation at its best Leslie Page Moch Michigan State University Table of contents Introduction Anna Mazurkiewicz Albania Agata Domachowska Baltic States Estonia Latvia and Lithuania Pauli Heikkil Bulgaria Detelina Dineva Czechoslovakia Michael Cude and Ellen Paul Germany Bethany Hicks Hungary Katalin K d r Lynn Poland S awomir ukasiewicz Romania Beatrice Scutaru Ukraine Anna Fi USSR Alexey Antoshin Yugoslavia Brigitte Le Normand **Australian Slavonic and East European Studies** ,2008
