Lovers And Lesser Men:

Lovers and Lesser Men Irving Layton, 1973 **Lovers and Lesser Man** Irving Layton, Kill Only Lesser Men Art Marsicano, 2017-10-12 Italian and Irish criminals engaged in a brutal war for decades and it frequently involved the Church of Rome How will the Italian underworld react when the most influential Irish Catholic family in the world tries to elevate one of its own a United States senator to the most powerful office in the world President of the United States Anthony Martino a brilliant yet ruthless killer was called on to prevent the senator from becoming president Faced with the possibility of battling Irish criminals the FBI and members of the Irish Republican Army he decides to cooperate with the Irish In the end will he kill the senator anyway Irish politicians and Italian criminals had much in common the most obvious of which was their religion and the manner in which they practiced it embraced it and at times corrupted it for their own evil purposes The Italian Irish Church triangle of hypocrisy was held together by a desire for power Yet there were also a few good men especially some priests who were motivated by a simple desire for the greater good Thinking the triangle had done much that was of value they did their best to preserve it The Popes representative to the United Nations Archbishop Calogero Ferraro was one such priest Desperately wanting another Roman Catholic president he directs the Italians and the Irish to put aside their differences Will they cooperate or will the Italian Irish criminal war explode once again turning the senator and Anthony Martino into two of its victims How to Pick a Lover Wesley L. Ford, 2009-12-21 While it may be considered taboo any woman married single or otherwise should feel good about her decision to take a lover How To Pick a Lover is a groundbreaking book written to help women have meaningful and rewarding love affairs How do you choose a lover There are no time honored rules Greek chorus or yenta to tell you what qualities to look for or how to avoid potential minefields Literature is ripe with cautionary tales about bad things that happen to good women who stoop to the folly of taking a lover And traditionally a womans sexuality has been secondary to that of a mans How To Pick a Lover takes you on a journey of self discovery exploring your right to emotional and sexual fulfillment including the option of having a lover Many of your attitudes and beliefs about courting and being courted will be challenged throughout the pages of this book In return you will gain insights into the attributes and behaviors of men positive and negative that you must pay attention to if you are to pick a lover that is right for you **Ennobling Love** C. Stephen Jaeger, 2010-08-03 Richard Duke of Aquitaine son of the King of England remained with Philip the King of France who so honored him for so long that they ate every day at the same table and from the same dish and at night their beds did not separate them And the King of France loved him as his own soul and they loved each other so much that the King of England was absolutely astonished at the vehement love between them and marveled at what it could mean Public avowals of love between men were common from antiquity through the Middle Ages What do these expressions leave to interpretation An extraordinary amount as Stephen Jaeger demonstrates Unlike current efforts to read medieval culture through modern mores Stephen Jaeger contends that love and sex in the Middle Ages relate

to each other very differently than in the postmedieval period Love was not only a mode of feeling and desiring or an exclusively private sentiment but a way of behaving and a social ideal It was a form of aristocratic self representation its social function to show forth virtue in lovers to raise their inner worth to increase their honor and enhance their reputation To judge from the number of royal love relationships documented it seems normal rather than exceptional that a king loved his favorites and the courtiers and advisors clerical and lay loved their superiors and each other Jaeger makes an elaborate accessible and certain to be controversial case for the centrality of friendship and love as aristocratic lay clerical and monastic ideals Ennobling Love is a magisterial work a book that charts the social constructions of passion and sexuality in our own times no less than in the Middle Ages

Life and Love Judith Early,2002-12 It might almost seem that Judith Early was born in the wrong place at the wrong time She was born and raised in rural Alberta in a time and place where her radical views on religion health and the environment were not welcomed by the conventional conservatism of her community In the late 1970s she was advocating wheat grass and health food and concepts such as social and environmental responsibility in a town where ham and eggs were staples and the word cholesterol had not yet become part of the language Now in her late eighties after several decades of writing she has finally found an audience that is ready for her message Life and Love is the first of her books that she has decided to publish After reading Life and Love I felt refreshed Judith Early demonstrates the triumph of the will in the face of adversity and inspiration of the spirit that guides one to that deeper level of reality that exists beyond the pall of linear logical thought Her poetry reveals both beauty of nature and the spirit of God in harmonious surprising and inspiring verse that is both skillful and organic like a fine glass of wine to be sipped savoured and recalled to memory whenever we take the time to slow down and remember Orpheus Author of The Seven Secrets of the Ascended Masters

they all encounter The Lesser Man of Shiloh The Challenge of Love Victorian Romance Novel,2022-05-17 In The Challenge of Love readers traverse the cobblestone streets of Victorian England alongside John Wolfe who is both healer and herald for change within the grim reality of Navestock s poverty stricken quarters The novel interweaves medical intrigue the stark contrast between the affluent and destitute and a blossoming romance all texturally rich and meticulously depicted within a literary style reminiscent of the period s social critiques The author expertly aligns the reader with Wolfe s crusade as he navigates the murky waters of small town politics wherein each page turned is a step closer to reform or disaster underscored by a narrative pace as relentless as the industrial age itself This poignant tale serendipitously emerges from the pen of an author deeply influenced by the real life heroics of Victorian medical figures and perhaps histories of unsung champions of public health The fusion of personal ambition and societal welfare a recurrent theme in their body of work suggests a profound contemplation of duty sacrifice and the human condition all crystallized through the character of John Wolfe whose determination becomes both sword and shield against institutional apathy The Challenge of Love is not merely a testament to the enduring power of compassion but an invitation into the heart of a bygone era It beckons literary enthusiasts romantics and advocates of social justice to witness the convergence of love and duty At its core it is a narrative that inspires the belief that one person can indeed make a difference and as such should be considered essential reading for those who dream of changing the world one battle at a time **Beth's Enemy Her Love** Christine Young,2025-06-20 The most gorgeous man in all of the British Isles is also the most lethal During the Victorian period of England in the great city of London there is always an expense to reimburse As a young debutante Elizabeth Montgomerie looks for a husband She never believes she would come upon the man of her dreams at the lake near her family s country home When she meets him she never imagines her heart will be at risk or for the man who steals her soul to be the one ordered to strike a deadly blow Thaddeus DuBois has no difficulty fulfilling contracts directed his way by his father Count DuBois Expecting to be the count s weapon whenever ordered he s been trained to believe he has fewer scruples than the lowliest assassin When he is ordered to take out his father s latest objective he refuses to fulfill the assignment Puzzled by his response to Beth s beautiful and curious nature he does the only thing he can think of to keep her safe he binds her to him body and soul Elizabeth never expects to find herself wedded to the city s most dangerous killer but something about Thad arouses a passion she s never felt before As lines distort and allegiances change Beth realizes Thad might own her heart after all and she s not sure she can survive the consequences of loving him **The Love of Books and Reading** Oscar Kuhns,1910 *Imperfect Love* Melissa Schroeder,2023-02-10 Join the residents of Juniper Springs as the creator of the Juniper Springs Express goes up against everyone s favorite O Bryan sister Avery When I came to Juniper Springs I didn t think I would stay but the town s insanity got it s hooks in me I mean they have GAY DUCKS And of course I love the LOLs Little Old Ladies I fell in love with the residents So when Jon Howard shows up accusing me of stealing his house I declare war It s easy at first He likes

spreadsheets and schedules Order is the name of the game for my nemesis I like to go with the flow and prefer sugary cereal for breakfast over egg whites Sure it s hard to ignore those blue eyes and his amazing body not to mention that fact that he smells like hot guy heaven Also he sees beneath the funny facade I show everyone And the kiss he gives me Brain scrambled When he can quote Taylor Swift lyrics to me I start falling hard But I know that I m not built for a long relationship especially with a man who likes to keep everyone on schedule I m always too loud too unorganized too everything So while I know I might be falling for him I know this has one outcome disaster Only this time I m not sure my heart will survive the implosion

Author Note Hey readers It s time to grab your white wine complete with ice cubes and snuggle in for another Juniper Springs romance There s visits from old friends references that Swifties will completely understand and two amazing cats to fall for Avery O Bryan is about to teach Jon Howard that love doesn t have to be perfect to last a lifetime **God and the conscience. The Courts of Love Jean Plaidy, 2006-05-23 When I look back over my long and tempestuous life I can see that much of what happened to me my triumphs and most of my misfortunes was due to my passionate relationships with men I was a woman who considered herself their equal and in many ways their superior but it seemed that I depended on them while seeking to be the dominant partner an attitude which could hardly be expected to bring about a harmonious existence Eleanor of Aquitaine was revered for her superior intellect extraordinary courage and fierce loyalty She was equally famous for her turbulent relationships which included marriages to the kings of both France and England As a child Eleanor reveled in her beloved grandfather s Courts of Love where troubadours sang of romantic devotion and passion filled the air In 1137 at the age of fifteen Eleanor became Duchess of Aquitaine the richest province in Europe A union with Louis VII allowed her to ascend the French throne yet he was a tepid and possessive man and no match for a young woman raised in the Courts of Love When Eleanor met the magnetic Henry II the first Plantagenet King of England their stormy pairing set great change in motion and produced many sons and daughters two of whom would one day reign in their own right In this majestic and sweeping story set against a backdrop of medieval politics intrigue and strife Jean Plaidy weaves a tapestry of love passion betrayal and heartbreak and reveals the life of a most remarkable woman whose iron will and political savvy enabled her to hold her own against the most powerful men of her time
