Longings W. J. Manares, 2023-11-16 Longings and other Longer Poems is a captivating collection of poetry that explores the depths of human emotions delving into the complexities of longing desire and introspection Written by a bunch of extraordinary poets this book is a must read for anyone seeking to experience the beauty and power of language One of the most compelling aspects of this collection is the way it embraces the longer poetic form While many contemporary poems are known for their brevity the authors defy convention allowing the themes to unfold and develop over multiple stanzas This deliberate choice imbues each poem with a rich narrative quality drawing readers into a shared experience of profound emotions In a world where attention spans are increasingly shorter Longings and other Longer Poems offers a refreshing departure from the norm Its lengthier compositions not only showcase the authors skill and creativity but also demand the reader's time and focus The poems encourage a slower more deliberate reading experience allowing readers to truly immerse themselves in the emotions and ideas expressed
