The first player to reach the winner circle gets to cleverly incorporate all of their collected cards into a sensual sex play.

**Game Play:** Place the board on a flat surface and put the Position, Item, and Foreplay cards face down in their allotted spaces on the board. Each player chooses a token to represent them on their travels around the board. Both tokens are placed on the starting square. Players roll the die to determine who goes first. Rolling the die, players make their way around the board collecting cards from the squares they land on. For a little added heat, you may land on a square that instructs you to strip a piece of clothing along your way to the winner circle.

**Winner:** The first player to reach the winner circle gets to incorporate all of their cards for a fun finale!

Surveillance expert Seth Mackey knows everything about the women that his millionaire boss toys with and tosses aside. Raine Cameron is something different. Night after night Seth watches her on a dozen different video screens. Her vulnerable beauty haunts him and her fresh innocence stirs a white-hot passion that he can barely control. Raine is pure temptation but Seth has something more important to take care of first. He's convinced that his boss Victor Lazar is responsible for his half brother's murder. He cannot put his secret investigation at risk but he can't stop wanting her. Craving her and soon he knows he can't let Victor have her. For Raine may be Victor's next victim. **Every Breath You Take** Raine knows she's being watched but no one can see the secrets in her heart. She has reasons of her own to seek revenge on Victor Lazar and she will, despite her fear and the distracting presence of Seth Mackey. Though Raine has little experience with men, Seth's fiercely masculine good looks and animal sensuality stir her most erotic fantasies when she's alone and lead her to a bold plan. Offering her body to him, surrendering totally to his ruthless desire might well push her beyond all emotional limits and beyond fear itself.

**Behind Closed Doors** Monia Hejaiej, 1996. Tunisia has a long history of city life reaching back to ancient times. The Arabic language is firmly rooted among its inhabitants and most embrace the morals and culture of Islam. **Behind Closed Doors** presents forty-seven tales told by three Beldi women, members of a historic and highly civilized community, the city's traditional elite. Tale telling is important to all Beldi women and the book examines its role in their shared world and its significance in the lives of the three tellers. Tales are told at communal gatherings to share and pass on Beldi women's secret lore of love, marriage and destiny. Ghaya, Sa-diyya and Kheira tell stories which echo their life experience and have deep meanings for them. Their tales reflect accepted moral codes and yet many depict attitudes, relationships and practices that contradict established norms. Whereas Kheira presents a conservative and moralistic view of the role of women, Sa-diyya's heroines are alive with sexual energy and Ghaya's stories also offer racy and rebellious comments on a woman's lot. These contradictory visions offer a kaleidoscopic view of the position of women in the rich life of a historic North African city.
