Loving The World:

Loving the World Appropriately James L. Kastley, 2022-12-08 A revolutionary approach to rhetoric that asks why audiences need persuading What is persuasion For some it is the ideal alternative to violence For others persuasion is simply a neutral instrumentality a valued source of soft power Both positions rest on a fundamental belief persuasion is a power that resides in a speaker acting on an audience Loving the World Appropriately asks a different more fundamental question why does an audience need persuasion In shifting our focus James Kastely delivers a provocative new history of rhetoric and philosophy one that describes rhetoric as more than a matter of effective communication and recasts persuasion as a philosophical concern central to notions of human subjectivity Ultimately Kastely insists persuasion enables us to love the world appropriately

NEW TESTAMENT CONTEXTUAL COMMENTARY Dr. Robert R. Seyda,2024-03-26 The Apostle John tells his readers he has an important message to tell them It is about a person who was already there before the beginning of the world We heard him speak We ve seen Him with our own eyes We watched Him and we touched Him He is the Word that gives us life with God This is the message God is completely good and pure He is like light There is nothing dark about Him Amazingly John tells us that one of the things Jesus wanted us to understand is that by loving others we love God Yes we do make mistakes and so do other believers but we are not to hold that against them because just as we were given forgiveness by God s mercy and grace since we are in union with His Son so can they What we are not to do is claim access to this privilege but then live like those in the world Our goal is not just life but eternal life After all we are God s children and no child of God keeps on sinning after they are born again through Jesus the Anointed One **1-3 John** David L. [Love, the Heartbeat of Christianity](#) Quintin Moore,2007-08 Jesus is the radical revelation of God s love His message though very simple is revolutionary He simply reveals and reduces the claim of God to one word Love To live only at the level

of rules and regulations is to miss the essence and the message of God We each know how good and necessary it is to be loved and to love However we are called to mature in love Only as we mature and grow in love will we move beyond mere definitions or descriptions of love into the vital reality of the love that gives and sustains life Love truly is the Heartbeat of the Christian life This radical revolution of love is essential to the church without it the church is just another organization but with love mature radical love she truly becomes the living expression of God s love Love The Heartbeat of Christianity is about a journey of discovering and maturing in the Love of God Enjoy the journey **Proverbs for Christian Living**
