It soon move on to analyzing large data sets using Spark RDD and developing and running effective Spark jobs quickly using Python Apache Spark has emerged as the next big thing in the Big Data domain quickly rising from an ascending technology to an established superstar in just a matter of years Spark allows you to quickly extract actionable insights from large amounts of data on a real time basis making it an essential tool in many modern businesses Frank has packed this book with over 15 interactive fun filled examples relevant to the real world and he will empower you to understand the Spark ecosystem and implement production grade real time Spark projects with ease Style and approach Frank Kane's *Taming Big Data with Apache Spark and Python* is a hands on tutorial with over 15 real world examples carefully explained by Frank in a step by step manner The examples vary in complexity and you can move through them at your own pace *Encyclopedia of African American Actresses in Film and Television* Bob McCann, 2022-09-23 The first work of its kind this encyclopedia provides 360 brief biographies of African American film and television actresses from the silent era to 2009 It includes entries on well known and nearly forgotten actresses running the gamut from Academy Award and NAACP Image Award winners to B film and exploitation era stars Each entry has a complete filmography of the actress's film TV music video or short film credits The work also features more than 170 photographs some of them rare images from the Schomburg Center for Research in Black Culture *Before Elvis* Larry Birnbaum, 2013 An essential work for rock fans and scholars *Before Elvis* The Prehistory of Rock n Roll surveys the origins of rock n roll from the minstrel era to the emergence of Bill Haley and Elvis Presley Unlike other histories of rock *Before Elvis* offers a far broader and deeper analysis of the influences on rock music Dispelling common misconceptions it examines rock's origins in hokum songs and big band boogies as well as Delta blues detailing the embrace by white artists of African American styles long before rock n roll appeared This unique study ranges far and wide highlighting not only the contributions of obscure but key precursors like Hardrock Gunter and Sam Theard but also the influence of celebrity performers like Gene Autry and Ella Fitzgerald Too often rock historians treat the genesis of rock n roll as a bolt from the blue an overnight revolution provoked by the bland pop music that immediately preceded it and created through the white appropriation of music till then played only by and for black audiences In *Before Elvis* Birnbaum daringly argues a more complicated history of rock's evolution from a heady mix of ragtime boogie woogie swing country music mainstream pop and rhythm and blues a melange that influenced one another along the way from the absorption of blues and boogies into jazz and pop to the integration of country and Caribbean music into rhythm and blues Written in an easy style *Before Elvis* presents a bold argument about rock's origins and required reading for fans and scholars of rock n roll history **Historical Dictionary of African American Cinema** S. Torriano Berry, Venise T. Berry, 2015-05-07 As early as 1909 African Americans were utilizing the new medium of cinema to catalogue the world around them using the film camera as a device to capture their lives and their history The daunting subject of race and ethnicity permeated life in America at the turn of the twentieth century and due to the effect of certain early films specific

television images and an often biased news media it still plagues us today As new technologies bring the power of the moving image to the masses African Americans will shoot and edit on laptop computers and share their stories with a global audience via the World Wide Web These independently produced visions will add to the diverse cache of African American images being displayed on an ever expanding silver screen This wide range of stories topics views and genres will finally give the world a glimpse of African American life that has long been ignored and has yet to be seen This second edition of Historical Dictionary of African American Cinema covers its history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 1400 cross referenced entries on actors actresses movies producers organizations awards and terminology this book provides a better understanding of the role African Americans played in film history This book is an excellent access point for students researchers and anyone wanting to know more about African American cinema
