Despite considerable research on the Jewish diaspora in the Middle East and North Africa since 1800 there has until now been no comprehensive synthesis that illuminates both the differences and commonalities in Jewish experience across a range of countries and cultures This lacuna in both Jewish and Middle Eastern studies is due partly to the fact that in general histories of the region Jews have been omitted from the standard narrative As part of the religious and ethnic mosaic that was traditional Islamic society Jews were but one among numerous minorities and so have lacked a systematic treatment Addressing this important oversight this volume documents the variety and diversity of Jewish life in the region over the last two hundred years It explains the changes that affected the communities under Islamic rule during its golden age and describes the processes of modernization that enabled the Jews to play a pivotal role in their respective countries in the nineteenth and twentieth centuries The first half of the book is thematic covering topics ranging from languages to economic life and from religion and music to the world of women The second half is a country by country survey that covers Turkey Syria Lebanon Israel

Jones, 1977-06-30 This book represents the first concordance of Juan Ruiz's Book of Good Love Libro de Buen Amor written in the fourteenth century The volume's editors dealing with three slightly different manuscripts have chosen to meticulously integrate the language from all three editions into one thorough concordance The result is a significant work that serves as a companion to Ruiz's work that would be vital to any study of medieval Spanish linguistics In addition to the usual material to be found in a concordance this book has the following features the text appears in diplomatic transcription from the manuscripts for fidelity while the entry list of words has been partly normalized as for spelling for convenience an extensive list of homographs no omission of high frequency words frequency list at the end no reproduction of bulky and difficult computer printout The book has been photocomposed from the tape [An Ode to Salonika](#) Renée Levine Melammed, 2013-04-30 Through the poetry of Bouena Sarfatty 1916 1997 An Ode to Salonika sketches the life and demise of the Sephardi Jewish

community that once flourished in this Greek crossroads city A resident of Salonika who survived the Holocaust as a partisan and later settled in Canada Sarfatty preserved the traditions and memories of this diverse and thriving Sephardi community in some 500 Ladino poems known as coplas The coplas also describe the traumas the community faced under German occupation before the Nazis deported its Jewish residents to Auschwitz The coplas in Ladino and in Ren e Levine Melammed s English translation are framed by chapters that trace the history of the Sephardi community in Salonika and provide context for the poems This unique and moving source provides a rare entr e into a once vibrant world now lost A

Heirs to Forgotten Kingdoms Gerard Russell,2014-11-20 Despite its reputation for religious intolerance the Middle East has long sheltered many distinctive and strange faiths one regards the Greek prophets as incarnations of God another reveres Lucifer in the form of a peacock and yet another believes that their followers are reincarnated beings who have existed in various forms for thousands of years These religions represent the last vestiges of the magnificent civilizations in ancient history Persia Babylon Egypt in the time of the Pharaohs Their followers have learned how to survive foreign attacks and the perils of assimilation But today with the Middle East in turmoil they face greater challenges than ever before In Heirs
