The Luck of Roaring Camp and Other Tales Bret Harte, 2017-11-19 He has been repeatedly cautioned kindly and unkindly intelligently and unintelligently against his alleged tendency to confuse recognized standards of morality by extenuating lives of recklessness and often criminality with a single solitary virtue He might easily show that he has never written a sermon that he has never moralized or commented upon the actions of his heroes that he has never voiced a creed or obtrusively demonstrated an ethical opinion He might easily allege that this merciful effect of his art arose from the reader's weak human sympathies and hold himself irresponsible But he would be conscious of a more miserable weakness in thus divorcing himself from his fellow men who in the domain of art must ever walk hand in hand with him So he prefers to say that of all the various forms in which Cant presents itself to suffering humanity he knows of none so outrageous so illogical so undemonstrable so marvelously absurd as the Cant of Too Much Mercy When it shall be proven to him that communities are degraded and brought to guilt and crime suffering or destitution from a predominance of this quality when he shall see pardoned ticket of leave men elbowing men of austere lives out of situation and position and the repentant Magdalen supplanting the blameless virgin in society then he will lay aside his pen and extend his hand to the new Draconian discipline in fiction But until then he will without claiming to be a religious man or a moralist but simply as an artist reverently and humbly conform to the rules laid down by a Great Poet who created the parable of the Prodigal Son and the Good Samaritan whose works have lasted eighteen hundred years and will remain when the present writer and his generation are forgotten And he is conscious of uttering no original doctrine in this but of only voicing the beliefs of a few of his literary brethren happily living and one gloriously dead who never made proclamation of this from the housetops From the Introduction
