Dykens, 2018-11-29 The distance from Raymond Dykens's house to his one room schoolhouse in Jasper County Missouri was less than two miles with a climb of exactly twenty four feet As a result there is no disputing that Raymond walked uphill one way to school every day In a delightful collection of anecdotes that include recollections by his brothers and fascinating photographs Raymond shares true experiences from 1947 through 1956 that reveal what it was like to learn in a one room country school that included teachings not only at his desk but also outside the classroom His colorful stories detail many life lessons learned from eating possum grapes and green apples riding his horse to school sharing an outhouse with a seasonal black snake and a few black widow spiders listening to the same story about Dick and Jane and a dog named Spot overcoming a stuttering problem with help from a compassionate and determined teacher and committing a crime that caused him to spend an afternoon with his nose firmly planted within a ring drawn on the blackboard Uphill One Way shares a retired educator's childhood learning experiences that highlight the value of the one room country school and its impact on America and the public school system Black Irish Luck Terry Donegan, 2023-12 This is a collection of short stories that when brought together form the picture of a singular life that of Terry Donegan and his black Irish luck These are his memoirs done his way Told in an off the wall stream of consciousness writing style the stories ramble from one topic to another but always find their way back in the end Side splitting anecdotes are interwoven with heart wrenching stories about sports life and doing things your own way even when that way is stupid Reading this book is like talking to a buddy in a bar while drinking a beer Donegan lived a wild crazy and fun life and if he learned one thing it was that nothing goes quite the way you expect it to But if you have great friends and a great attitude you can live a truly great life be true to yourself and never back down from anything Donegan is donating 1 from every book sold to the Michael J Fox Foundation which is doing such wonderful things to give Parkinson's patients like himself hope He's also donating 1 from every book sold to the Navajo Nation After you read the book you'll understand why **The Old Man from Leftfield** Neil McKee, 2014-10-17 When I was a kid in the late 1950s while I was a student at Paoli Elementary School I read the famous children's book that talks about the Kid from Leftfield Also around that time I always said to myself What is it going to be like in the year 2000 I'll be fifty years old I couldn't comprehend being that old the thought of it scared me and I'd probably be in a wheelchair or something worse I bet a lot of people my age thought the same thing This is the story of what that kid did when he reached the age of fifty **Baseball's Good Guys** Marshall J.
