**Suffrage** Susan L. Poulson, 2019-09-03 Four generations of women fought for the right to vote This book shows how their grand reform effort overcame resistance from traditionalists fearing social decay religious leaders citing scriptural prohibitions and a stodgy political establishment reluctant to share power What was it like to be among the founders of the women's movement in the middle of the nineteenth century with no script to follow and self doubt dogging their every move This book not only reminds us of the laws that conspired against women's equality in the post Civil War

United States but it also illustrates through the eyes of the suffragists themselves the cultural and religious norms that had held women in second class status for centuries Early suffragists grappled with isolation and outright hostility as they lectured around the nation even as they tried to reassure the public that politicized women would still serve the family Others espoused outrage by organizing public protests This book shows how lasting political change comes about through a combination of working from within the system and outside of it and deftly illustrates the tensions within the movement Although the vote was finally won in 1920 it was not without tremendous sacrifice The book lays bare the strategies that led to the single minded focus on the vote and the consequences of postponing action on so many other issues that remained for later generations to address including reproductive freedom labor rights and equal pay

**Women's Rights in the United States** Tiffany K. Wayne, 2014-12-09 A comprehensive encyclopedia tracing the history of the women's rights movement in the United States from the American Revolution to the present day Few realize that the origin of the discussion on women's rights emerged out of the anti slavery movement of the 19th century and that suffragists were active in the peace and labor movements long after the right to vote was granted Thus began the confluence of activism in our country where the rights of women both followed and led the social and political discourse in America Through 4 volumes and more than 800 entries editor Tiffany K Wayne with advising editor Lois Banner examine the issues people and events of women's activism from the early period of American history to the present time This comprehensive reference not only traces the historical evolution of the movement but also covers current issues affecting women such as reproductive freedom political participation pay equity violence against women and gay civil rights

**Lydia Maria Child** Lori Kenschaft, 2002-10-24 Lydia Maria Child presents the life of the dynamic nineteenth century writer who through her pen and at great personal cost to her literary career spoke out for those silenced in society slaves Native Americans women and the poor At the dawn of the 1830s Lydia Maria Child was a celebrated author known for her popular domestic handbook *The Frugal Housewife* and *Hobomok* a novel of American Indian life In 1833 with the publication of her controversial *Appeal in Favor of that Class of Americans Called Africans* Child's life changed dramatically from literary figure to antislavery activist Her *Appeal* helped ignite the abolitionist movement and several antislavery leaders including Wendell Phillips and Charles Sumner credited it with converting them to the cause An inspirational look at an extraordinary woman Lydia Maria Child is the story of how one person fought for the basic human right of freedom for all

Well-Dressed Role Models Gale Eaton, 2006-06-08 This study provides a qualitative exploration of juvenile biographies of women a genre defined here as a book dealing with the whole or partial life of an individual and reviewed as nonfiction for readers in elementary middle or junior high school Beginning with a survey of juvenile material on Elizabeth Tudor published in England and the United States between 1852 and 2002 author Gale Eaton scrutinizes thirty four books juvenile biographies histories and collected biographies for trends in both content and rhetoric *Well Dressed Role Models The Portrayal of Women in Biographies for Children* then goes on to look at close readings of books published in the

United States in the years 1946 1971 and 1996 and presents a penetrating analysis of a genre that serves the needs of youth The findings of this study include the fact that juvenile biographies make role models out of women who in many cases never would have become famous by following all the rules for good girls By choice of subject and emphasis their authors dress the life stories of real women in the appropriate values of new generations Three appendixes providing annotated book lists for each of the three years analyzed conclude this study     How to Grow a Young Reader Kathryn Lindskoog,Ranelda Mack Hunsicker,2002-06-18 In an age of electronic games TV videos and the Internet You can raise a book lover Reading opens up a lifetime of learning and delight to children In How to Grow a Young Reader Kathryn Lindskoog and Ranelda Mack Hunsicker offer suggestions for creating a reader friendly home truths about how literature strengthens character development and helpful strategies for nurturing a love of reading in any child Includes a helpful guide to over 1 800 books

**Nonfiction Reading Comprehension: Social Studies, Grade 5** Ruth Foster,2007-06 High interest nonfiction articles help students learn about social studies topics while developing skills in reading comprehension Each story is followed by questions that cover main idea detail vocabulary and critical reasoning The format is similiar to that of standardized tests so as students progress through the book s units they are preparing for success in testing Page 4 of cover     Origins of Difference Elaine Storkey,2019-07-11 In what ways are women and men different Where do these differences originate In this book Elaine Storkey uncovers the foundational assumptions and presuppositions that lie beneath gender issues and builds a cohesive model for a biblical view of men and women     **Votes for Women!** Winifred Conkling,2018-02-13 For nearly 150 years American women did not have the right to vote On August 18 1920 they won that right when the 19th Amendment to the Constitution was ratified at last To achieve that victory some of the fiercest most passionate women in history marched protested and sometimes even broke the law for more than eight decades From Susan B Anthony and Elizabeth Cady Stanton who founded the suffrage movement at the 1848 Seneca Falls Convention to Sojourner Truth and her famous Ain t I a Woman speech to Alice Paul arrested and force fed in prison this is the story of the American women s suffrage movement and the private lives that fueled its leaders dedication Votes for Women explores suffragists often powerful sometimes difficult relationship with the intersecting temperance and abolition campaigns and includes an unflinching look at some of the uglier moments in women s fight for the vote By turns illuminating harrowing and empowering Votes for Women paints a vibrant picture of the women whose tireless battle still inspires political human rights and social justice activism     **Heroes** Scott T. Allison,George R. Goethals,2011 Using the lens of popular culture Heroes explores the ways that our perceptions of heroism and villainy affect the way people behave in heroic and villainous ways Allison and Goethals use psychology to explore how these important concepts shape our lives and our world     *Encyclopedia of Women Social Reformers* Helen Rappaport,2001-12-06 The first comprehensive guide to women activists from every part of the world illuminating the broad range of women s struggles to reform society from the 18th century to the present

Despite being marginalized disenfranchised impoverished and oppressed women have always stepped forward in disproportionate numbers to lead movements for social change This two volume encyclopedia documents the visions struggles and lives of women who have changed the world This encyclopedia celebrates the lives and achievements of nearly 300 women from around the globe women who have bravely insisted that the way things are is not the way they have to be Nadeshda Krupskaya the wife of Lenin spearheaded the drive against illiteracy in post revolutionary Russia American Dorothy Day founded the Catholic worker movement Begum Rokeya Hossain organized a girls school in Calcutta in 1911 Rachel Carson launched the modern environmental movement with her book Silent Spring The stories of these women and the hundreds of others collected here will restore missing pages to our history and inspire a new generation of women to change the world
