Healing Traumatized Churches Ronald H. Wean, 2012-05 Through the characters of his play Ron creatively invites us into the discussion and dialog so that our individual and community God given healing may continue How refreshing it is Larry R Welin D Min LPCC CEAP I began reading Healing Traumatized Churches critically However I quickly was drawn in to the book s message of hope and restoration It should be no surprise that dominant culture narcissism has groomed rogue church leaders vying for power and control destroying the fiber of many congregations Their paths are littered with broken lives and lost faith a silent epidemic But the Good News is that Jesus is still the rightful owner and authority of the Body of Christ With Ron s skills as a counselor a heart of a pastor and personal experience the symptoms of church trauma and post trauma are exposed and healing plans identified I read the entire book in one setting because as a lay leader I have experienced the effects of church trauma personally Thanks to this book I am beginning to experience closure Colonel Hoard Bud May USAF retired In praise of Healing Traumatized Churches Ron Wean give us a wonderful window through which to look at trauma The use of a dramatic script will surely allow others to look through the window and be astonished as I was that the widow
